EXECUTIVE ITEM	
EXECUTIVE ITEM:	191206_exe10
LEAD OFFICER:	Keith Fisher
REPORT AUTHORITY:	James Carr
Summary:	The report seeks to implement a more flexible arrangement for administering waste services through a new waste management contract and to ensure that the Council's waste management services are delivered in a cost-effective and efficient manner.
Recommendation:	1. To recommend that the Council should approve the proposed contract for waste management services on the basis that the Council has been consulted with the relevant stakeholders and that the proposed contract is in the best interests of the Council.
Impact on defining the proposed plan:	To ensure that the proposed contract is in the best interests of the Council and that the proposed contract is in the best interests of the Council.
Impact on other statutory responsibilities (e.g. s. 106, s. 107, s. 108, s. 109):	None
Financial and fiscal implications:	The proposed contract will result in a net saving of approximately £1.5 million per annum over the next five years. This saving will be used to fund other Council services.
Project & Risk Management:	If the proposed contract is not approved, the Council will continue to operate its current waste management services. The proposed contract is subject to a number of risks, which are detailed in the report.
Key Decision Status:	Financial: None Risk: None
Other Ward Implications:	None
1. Introduction:	The Council is currently reviewing its waste management services and is seeking to ensure that the services are delivered in a cost-effective and efficient manner. The proposed contract is a key part of this review.
2. Background:	The Council's current waste management services are provided under a number of contracts. These contracts are due to expire in 2007. The Council is seeking to ensure that the services are delivered in a cost-effective and efficient manner.
3. Options:	The Council has considered a number of options for the provision of waste management services. The proposed contract is the preferred option as it offers the best value for money and ensures that the services are delivered in a cost-effective and efficient manner.
4. Recommendation:	The Council should approve the proposed contract for waste management services on the basis that the Council has been consulted with the relevant stakeholders and that the proposed contract is in the best interests of the Council.
5. Conclusion:	The proposed contract is a key part of the Council's waste management services review. It offers the best value for money and ensures that the services are delivered in a cost-effective and efficient manner.
