

Joint Scrutiny - Cumbria Strategic Waste Partnership

Purpose: To update Members of this Committee of the joint scrutiny work taking place on the Cumbria Strategic Waste Partnership.

The joint scrutiny committee met again on 17 January in Whitehaven and held an evidence session with Members of the Cumbria Waste Strategic Partnership. The minutes of the meeting and a letter subsequently issued by the Chairman to the CSWP Chair are attached to this report.

It is likely that this will be the last meeting of the joint scrutiny committee for the time being. The outstanding issues raised with CSWP will however be monitored and further meetings called if progress is not satisfactory.

Members of OSC Environmental are asked to note the position.
