

MEMBER DEVELOPMENT TRAINING EVENTS - UPDATE

EXECUTIVE MEMBER: Cllr Gillian Troughton

LEAD OFFICER: Lindsay Tomlinson

REPORT AUTHOR: Lindsay Tomlinson

WHY HAS THIS REPORT COME TO THE MEMBER DEVELOPMENT PANEL?

To update the Panel on training events that have been offered or requested.

RECOMMENDATION:

1. That the outcome of the training requests be noted.
2. That a procedure be agreed for future training requests where they arise outside of the normal reporting timescales
3. That officers be asked to amend the training request scoring document to make it an easier to manage, fairer process

1. INTRODUCTION

1. On 27 August 2014 the panel was asked to consider a request from an individual member for the part funding of a training course. As the course deadline was imminent there was not time to bring a report to the Panel therefore an informal meeting was held on 3 September 2014 to which all Panel members were invited. Four members attended and considered the request in detail, scoring the aims and objectives of the training event in line with the current scoring procedure.

The result of the process was that the training request was not approved, and a decision letter was sent to the member in question setting out the Panel's reasons for the decision. It was noted during the meeting that the scoring process had some weaknesses and flaws and members suggested that they might like to see it amended.

2. On 4 September 2014 the Policy and Scrutiny Officer was offered up to two places on an Overview and Scrutiny training course to be run by John Cade from INLOGOV on behalf of Carlisle City Council. An email was sent to the Panel members with details of the course and seeking approval to offer the places to Copeland Borough Council members. As no objections were received the places were offered, however none was taken up, partly as the date clashed with a Task and Finish Group meeting.

MEMBER TRAINING AND DEVELOPMENT

ASSESSING TRAINING REQUESTS

The Member Development Panel has agreed a procedure for assessing requests for training and development courses and events for Councillors, where these are to be funded from the Member training and development budget.

1 Training and development courses or events which meet a need identified in the Member Development Programme agreed by the Panel do not need any further approval.

2 Other training and development courses or events will be assessed by the Member Development Panel using the scoring system explained below. Those which meet the required criteria will be agreed and funded from the budget. Those which are not can still be attended by Members, but will need to be funded from elsewhere. The Panel's decision will be final.

Making a Request

Any Member wishing to make a request to the Panel for approval for funding for a course or event should use the attached pro forma.
