

Do I Need Planning Permission For A Satellite Dish or Antenna

Guidance Notes

Please complete this form in full and return to us so we can determine whether planning permission is required for your proposal.

If any change is proposed then you should contact us for further advice.

The advice given is without prejudice and based on current planning legislation. Please remember that Government legislation and Council policy can change over time. These Guidance Notes are, therefore subject to periodic amendment.

Normally we will provide you with a written response within 10 working days.

Help towards completing this form can be obtained by contacting the Development Control office on 01946 598426/22.

Please Note

If you build something which needs permission without first obtaining permission you may be required to carry out remedial works or remove unauthorised works. IF IN DOUBT, ASK.

If you have any comments to make on these Guidance Notes, particularly on how we can make them easier for you to use, please contact us on 01946 598421/18. If you would like a copy of this form in large print, Braille, audio or in a different language please contact the Council – Telephone 0845 0458600; Email - info@copelandbc.gov.uk or write to us at The Copeland Centre, Catherine Street, Whitehaven, Cumbria, CA28 7SJ.

Proud of our past. Energised for our future.

3. Type of property?	Terraced <input type="checkbox"/> Semi Detached <input type="checkbox"/> Detached <input type="checkbox"/>
	Other (please state)
4. Proposed Works.	
5. Signed:	
Date:	

1. Are there any satellite dishes and/or antennas currently on the building?

YES NO

If YES, How many?

2. Will the proposed satellite dish or antenna be located on a chimney stack?

YES NO

2a. Will the dish or antenna protrude above the highest part of the chimney OR 600mm measured from the highest part of the ridge tiles of the roof, whichever is the lower?

YES NO

3. If the property does not have a chimney stack, will the dish or antenna protrude above the highest part of the roof of the property?

YES NO

4. Please give details of the diameter and length of the proposed dish or antenna.

Diameter	Length
m	m

Please note

- The equipment should be site to minimise its effect on the external appearance of the building.
- Any antenna no longer needed for reception or transmission purposes should be removed as soon as reasonably practical.
