

Copeland Disability Forum

Copeland Disability Forum works for equality for people with physical disabilities. It works with Copeland Borough Council to look at planning applications, suggest improvements to building access, and advise on other equality issues.

CDF has open membership to anyone with a disability, and volunteers are welcome. Monthly meetings are held in the [United Reformed Church](#), [1] Market Place, Whitehaven. The CDF also has representatives on many outside bodies and statutory organisations.

For more information email cdfsecretary@gmail.com [2] or phone the information helpline: 01946 590688
