

DRAFT LLWR Tender – Local Community Prospectus

CHAIRMAN Cllr Geoff Blackwell
PORTFOLIO HOLDER: Cllr Elaine Woodburn
LEAD OFFICER: David Davies
REPORT AUTHOR: Frank Duffy

Summary: To consult members on the initial draft document of the LLWR Community Prospectus.

Recommendation:	To consider the draft document and discuss further options and content for its improvement prior to further consultation with local partners. .
------------------------	---

Impact on delivering the Corporate Plan: Potential impact on HLE5 'Seek to maximise economic development benefits arising from the nuclear industry'.

Impact on other statutory objectives (e.g. crime & disorder, LA21): None

Financial and human resource implications: None directly. But potentially major impact to local socio-economic sustainability.

Project & Risk Management: None

Key Decision Status

- **Financial:** None
- **Ward:** None

Other Ward Implications: All

INTRODUCTION

As a result of the NDA's plans to tender the competition for the LLWR, the Council has agreed with the NDA that a document aimed at providing guidance to the contractor on the local community could form part of the tender process. Therefore local community prospectus will form part of the overall tender documentation for the waste management contract. It will act as an aid to inform the contractor on the following:

- The local communities of the Parish of Drigg, the Boroughs of Copeland and Allerdale, and the County of Cumbria.
- The local community's expectation of the contractor.
- The local community's desire to work in partnership with the contractor.
- Provide clear communication between the contractor and the community representatives.

The prospectus does not aim to be an overall reference document but to provide summary information and to encourage further dialogue between the communities and the tendering contractors.

KEY ISSUES

The key areas that members may wish to consider are:

- How do we best interact with the contractor?
- What are our expectations of the contractor with reference to Copeland?
- What are our expectations of the contractor with reference to the Village of Drigg?
- Are there any improvements the Council could make with reference to its stakeholder engagement?
- What are our minimum requirements?

A copy of the Community Prospectus is attached for your information and consideration.
