

## **OVERVIEW AND SCRUTINY COMMITTEES**

### **COPELAND BOROUGH COUNCIL**

#### **WORKPLAN 2005-06**

##### Introduction

The Work Plan of the Overview and Scrutiny Committees has been drawn together from a number of sources:

From individual Members drawing on the experience they have as ward Councillors and their specialist interests.

From Parish and Town Councils.

From studying the Corporate Plan for the coming year and discussing work items with the Executive and Departments

From individual members of the public, responding to publicity and from

Media coverage relating to Council services.

It is intended to give a good idea of the ground the Committees will cover in the coming year. It is, however, an organic document and is subject to change and review as priorities change.

If there are any comments or contributions you might want to make to the Work Plan, then please do not hesitate to contact Scrutiny Support in the first instance:

## REVIEWS

ITEM	REVIEWS	BACKGROUND	INT/EXT	TIMESCALE
<b>Section 106 agreements</b>	Pre-scrutiny → Poss review  <b>OSC EC</b>	Members would like to establish what Copeland's policy is on 106 agreements. It has been suggested that the Council might make more of such agreements. A report of current policy will enable members to decide whether they wish to pursue this item further Pre-scrutiny briefing 18/7; report requested for 12/9 giving all section 106 agreements in past 12 months. Also CCC and LDNPA to be asked to do the same.	Internal	Conclusion: until there is a change in legislation, the guidance is pretty clear and seems to be followed by all authorities.
<b>Public Toilets</b>	<b>REVIEW</b>  <b>OSC ENV</b>	Members would like to undertake a comprehensive review of the provision, standard and maintenance of public loos in Copeland, exploring best practice for delivery in rural areas, and the needs of local people and of the tourist industry in Copeland. In doing this, they will expect to retain a sense of realism and to look at all provision, including those provided by external organisations.	Internal and External	Report submitted to Exec Dec 6 <sup>th</sup> and recommendations approved
<b>Budget Criteria</b>	<b>REVIEW</b>  <b>OSC PR/EC</b>	Opinion is being voiced by some members of Overview and Scrutiny, particularly those of Environmental Well-being, that the budget criteria are too job focused. They point out that the right conditions need to be created for regeneration to flourish, and these are often environmental issues, and they also feel that issues that they have looked at, and which haven't necessarily scored very highly, for example travel concessions and pest control, are socially important issues that the Council does need to address.	Internal	Joint meeting of Exec and OSC Chairs and Vice Chairs agreed to delay a look at the budget criteria until the Council' role in regeneration is better defined – maybe next year.

<b>Dentists</b>	<b>REVIEW</b>  <b>OSC SOC</b>	We have suggested to the health scrutiny cttee of the County Council that the provision of NHS dentists in Copeland should be scrutinised. Dentists have been put onto the work plan of the Health Scrutiny Cttee (on which Copeland has a representative), but yet to hear whether there is an appetite for joint working.	External	County Council feels this is a national problem and are not inclined to follow it up other than monitoring the situation.
<b>Schools in Copeland</b>	<b>Pre-scrutiny</b> → Poss Review  <b>OSC SOC</b>	The questionnaire carried out by OSC on the things that attract people to come and live here and those that put them off has not been given wide distribution as <u>some</u> of the data was unreliable. However, most results were largely predictable and placed a good deal of emphasis on the quality of schools, equally of local importance. Recent statistics showing that Copeland is lagging behind the Cumbrian and national average when it comes to test results for 14 year olds has prompted the Committee to explore why this is the case, and in looking at the bigger picture, what more might be done to drive up performance.	External	Delayed as CCC Director of Education resigned.  School improvement team invited to the November meeting and provided statistics of school performances.  Statistics to be updated and monitored.
<b>School dinners</b>	<b>Pre-scrutiny</b> → <b>Poss Review</b>	A pre-scrutiny report on healthy food initiatives to be commissioned from the County, before deciding if the Review will take place and in what format.	External	CCC Education have followed up on this quite strongly and it is felt that there is no need for further review.
<b>Review of Conference budget</b>		How should the available money be spent for conference attendance by Members.		Report be reconsidered.
