1. Introduction

The Government has recognised that fewer people are using Post Office[®] branches, partly because traditional services, including benefit payments and other services are now available in other ways, such as online or directly through banks. It has concluded that the overall size and shape of the network of Post Office[®] branches ("the Network") needs to change.

In May 2007, following a national public consultation, the Government announced a range of proposed measures to modernise and reshape the Network and put it on a more stable footing for the future. A copy of the Government's response to the national public consultation ("the Response Document") can be obtained at www.dti.gov.uk/consultations/page36024.html.

Post Office Ltd has now put in place a Network Change Programme ("the Programme") to implement the measures proposed by the Government. The Programme will involve the compulsory compensated closure of up to 2,500 Post Office[®] branches (out of a current Network of 14,300 branches), with the introduction of about 500 service points known as "Outreaches" to mitigate the impact of the proposed closures. Compensation will be paid to those subpostmasters whose branches are compulsorily closed under the Programme.

To support the necessary changes to the Network and put it on a more stable footing and to support the reshaped Network of the future, the Government has proposed an investment of up to £1.7bn as a funding package.

The majority of Post Office[®] branches - more than 80% - will not change as a result of the Programme. Post Office Ltd is seeking to implement those changes that do take place as efficiently and sensitively as possible.

One of the key ways in which Post Office Ltd will make sure that people continue to have the best possible access to Post Office[®] services is by applying the minimum access criteria prescribed by the Government in the Response Document:

Nationally:

- 99% of the UK population to be within 3 miles and 90% of the population to be within 1 mile of their nearest Post Office[®] branch.
- 99% of the total population in deprived urban¹ areas across the UK to be within 1 mile of their nearest Post Office[®] branch.
- 95% of the total urban² population across the UK to be within 1 mile of their nearest Post Office[®] branch.
- 95% of the total rural³ population across the UK to be within 3 miles of their nearest Post Office[®] branch.

¹ Deprived urban – The most disadvantaged urban parts of the UK based on the Indices of Multiple Deprivation (top 15% Super Output Areas in England, 15% of Data Zones in Scotland and 30% of Super Output Areas in Wales and Northern Ireland).

² Urban – A community with 10,000 or more inhabitants in a continuous built up area.

³ Rural – A community not covered by the definition of Urban above.

In addition, for each individual postcode district:

- 95% of the population of the postcode district to be within 6 miles of their nearest Post Office[®] branch.

Changes to the Network can only take place within the prescribed access criteria.

In order to deliver the changes set out in the Response Document, Post Office Ltd has divided the UK into 47 areas ("Areas"). For each of these Areas Post Office Ltd will develop a local area plan proposal ("Area Plan Proposal") which will set out the changes that it proposes to make within it. The Area Plan Proposal for Cumbria has been developed and in this booklet you will find information on the changes proposed for Cumbria. Full details of the Area Plan Proposal for Cumbria are available on our website www.postoffice.co.uk/networkchange or by contacting us at the address given below.

When developing the Area Plan Proposal for Cumbria, Post Office Ltd analysed a number of factors. These included the proximity of the Post Office[®] branches proposed for closure to other nearby branches, the number of customers currently using a particular Post Office[®] branch, the size and ability of nearby branches to absorb extra customers, and the commercial implications of any decision for Post Office Ltd.

Post Office Ltd has also taken into account obstacles such as rivers, mountains and valleys, motorways and sea crossings to islands in order to avoid undue hardship to customers. In addition, the availability of public transport, alternative access to key Post Office[®] services (such as cash withdrawals, bill payments, mail services), local demographics and the impact on local economies have all been considered. Post Office Ltd has sought information from a number of external organisations and people, including subpostmasters, local authorities and regional development agencies to assist with this process.

Postwatch, the independent consumer watchdog for postal services, has worked with us in assessing the options for change during the period leading up to the publication of the Area Plan Proposal. Post Office Ltd has also engaged with other stakeholders, including relevant MPs.

Local Public Consultation

Each Area Plan Proposal is subject to local public consultation to ensure that the views of local people are taken into account before any final decisions are made by Post Office Ltd.

The local public consultation on the Area Plan Proposal for Cumbria will commence on 18th March 2008.

The local public consultation usually lasts for a period of six weeks, however Post Office Ltd will be suspending consultation activity, including participating in public meetings, and will not announce any final decisions regarding closures or replacement Outreach services, from 10 April 2008 until 2 May 2008. This coincides with the run up to the local elections taking place in England and Wales and is in line with the usual guidelines regarding such elections.

Additionally in this instance we have extended public consultation by 2 working days to allow for the holiday period over Easter.

The closing date for feedback in respect of the local public consultation is therefore 27th May 2008.

Please send your views and comments in writing regarding access to future Post Office® services in this Area to the address detailed below (payment of postage is not required to a Freepost address). Please note that your comments will not be kept confidential unless you expressly ask us to do so by clearly marking them 'In Confidence'.

2. The Area Plan Proposal for Cumbria

Post Office Ltd is acutely aware of the concerns that changes – including closures – affecting Post Office[®] branches in the Cumbria area will cause. In fulfilling the Government's requirement to reduce the overall size of the Post Office[®] network ("the Network") – and to do so in a way which creates similar results across the UK as a whole, and ensures that no group of inhabitants at an area level is overall significantly more adversely affected than any other – we are proposing to retain a total of 226 Post Office[®] branches across the area, but to close 35 existing branches. Ten outreach service points will be established and these would use innovative ways to continue to provide Post Office services in some areas where the existing branch is proposed for closure.

If these proposed changes take place, Post Office Ltd will remain the largest retailer by network size in the country, and will still have more branches open than the number of branches of major banks and building societies combined. In this area, 98.5% of the population will see no change to the branch they currently use or will remain within one mile of an alternative outlet.

At present the area's 488,000 residents are served by a total of 261 branches. Usage of Post Office[®] branches is falling, in line with national trends, as more customers access services at other places, make more use of the internet and have their Government benefits paid directly into bank accounts.

This Area Plan Proposal supports achievement of the national accessibility criteria set by the Government. It forms part of an overall reduction in the number of branches by up to 2,500 across the UK and does not disproportionately affect the inhabitants of the area relative to other parts of the UK.

In addition to meeting these criteria, when preparing this Area Plan Proposal, Post Office Ltd has considered factors relating to geography, the availability of local transport and alternative access to key Post Office[®] services, local demographics and the impact on local economies. All branches where changes are proposed have been fully assessed first hand by Post Office Ltd to ensure that local factors have been considered during the development of the Area Plan Proposal.

Cumbria communities are diverse in nature, including some densely populated urban areas around Carlisle, Workington and Kendal. The area consists of contrasting areas, which include the Lake District National Park, industrial agricultural heritage areas and traditional fishing areas on the coast. The area has a wide diversity of scenery and a large number of popular visitor attractions. 62.1% of the population live in rural communities and 37.9% live in towns and cities. In order to meet the Government's access criteria and avoid undue hardship, Post Office Ltd is proposing a future Network in the area comprising 36 branches in towns and cities and 190 branches in rural areas.

The needs of those living in communities defined as deprived have been carefully considered in this Area Plan Proposal, reflecting the specific national criteria set by the Government to give greater safeguards on the accessibility of branches in these communities. Some 11.6% of the area's total population live in deprived communities. 8.5% of the deprived population in urban areas and 3.1% of the deprived population in rural areas. This proposal for future Network provision in Cumbria provides for nine of the total number of remaining branches being located in urban deprived communities.

Post Office Ltd has engaged with various stakeholders when preparing this Area Plan Proposal. We have consulted with Postwatch, the independent consumer watchdog for postal services, and we have asked all local authorities within the Cumbria area to provide information and views relevant to the factors which we are able to consider. Our aim throughout has been to minimise the impact, as far as possible, on our customers and to produce the most effective overall proposal for the future.

In our conversations with stakeholders we have been made aware of regeneration plans affecting areas within the overall proposal and have taken these into consideration when constructing the Area Plan Proposal. Information has been received from Carlisle City Council, Eden District Council and Allerdale Borough Council who have made us aware of their regeneration and development plans.

Carlisle City Council and Eden District Council have made us aware of major road schemes.

We have not received any information from local authorities relating to public transport changes in their areas.

Whilst stakeholders have advised Post Office Ltd of major road schemes, none of these would materially change the accessibility to branches for particular communities. Similarly, the absence of input regarding public transport provision does not suggest any proposed reduction in current provision which could leave branches significantly less accessible for particular communities or make it more difficult for customers to access alternative branches than at present.

In finalising the Area Plan Proposal all branches were carefully considered against the Government's minimum access criteria, which Post Office Ltd must meet. Due regard has been given to the other factors that we must consider. As those factors were reviewed, and as information from stakeholders was considered and assessed, 17.8% of the initial Area Plan Proposal has been changed.

Future service provision:

The Area Plan Proposal envisages a Post Office® Network of 226 branches in the Cumbria area, which ensures that Post Office Ltd would comply with the minimum access criteria set by the Government. For 89.6% of customers this would mean no change to the Post Office® branch that they currently use.

The network now proposed for Cumbria continues to offer better access to services than that of any similar organisation, while accepting the Government's decision to reduce overall branch numbers. Subject to the Government's overriding criteria, we have considered geography, transport provision, demographics and local economic impact where appropriate. We are pleased to maintain 49 rural branches that support the only essential retailer in their community and 141 that provide the only access to cash in a particular rural community.

The Area Plan Proposal includes provision of Post Office services through innovative outreach solutions at 10 locations. In each instance, the outreach solution would be located within the same community as an existing Post Office branch and would provide Post Office services for a designated number of hours per week. Possible types of outreach service in the Cumbria area could include a hosted service, operated within third party premises for restricted hours each week, or a partner service within the premises of a local business (such as a pub landlord).

Outreach services are proposed in Bewcastle, Brough, Hallbankgate, Dent, Endmoor, Greenodd, Leven Valley, Castle Carrock, Hayton Carlisle and Irthington.

Post Office Ltd understands the importance of its role in both urban and rural communities and is keen to continue to provide access to services for as many customers in as many of these communities as possible. We have also considered the relative convenience of alternative branches for those customers whose closest branch is proposed for closure. Of the 10.4% of customers who use a branch that will close, 8.9% would have access to Post Office® services within one mile as measured by road distance (5.4% being within half a mile of their nearest alternative). In total, 98.5% of the population will either see no change, or will be within one mile of an alternative branch.

Next steps....

During the local public consultation, we will seek views on the proposed future service provision as outlined in this Area Plan Proposal.

Subject to the conclusion of the local public consultation period and after consideration of feedback received, no changes would be implemented before July 2008.

Post Office Ltd is at a crucial point. Customer numbers are falling, customer habits are changing and many of our traditional services are available elsewhere. It is essential that the changes, which include a reduction in the number of branches, be made if the Network is to have a sustainable future. We therefore welcome your views and comments regarding access to future Post Office® services in this area. In particular, we ask for your views on accessibility to the nearest Post Office® branch.

The consumer watchdog

Postwatch is the independent watchdog for postal services, created by the Postal Services Act 2000. Postwatch is working with Post Office Ltd and local communities throughout the programme to help secure the best possible outcome for customers.

What Postwatch will do

Postwatch operates through nine regional and national committees across the UK. Postwatch's role during the programme – prescribed by government - is to scrutinise Post Office Ltd's proposals and give feedback, ensure local consultations are meaningful, and that Post Office Ltd's decisions are sensible and in line with government criteria.

Each Postwatch regional office investigates Post Office Ltd's closure proposals. Postwatch receives area plans in advance of public consultation, allowing the time to examine proposals, and Post Office Ltd the chance to refine their proposals before going to public consultation.

Once public consultation is underway, Postwatch works to raise awareness of local consultations, and encourage participation. Postwatch will also work to ensure the minimum access criteria set out by the government are maintained.

Where Postwatch thinks proposals are unsatisfactory, they will work with local communities and Post Office Ltd to address these problems. There is an agreed review mechanism between Postwatch and Post Office Ltd for such instances. It is important to note that Postwatch does not have a power of veto on Post Office Ltd's decisions.

Further information

Postwatch and Post Office Ltd have agreed a Memorandum of Understanding, which sets out in detail the role Postwatch will play in the Programme. This is available on the Postwatch website at www.postwatch.co.uk.

4. Proposed Outreach Service Points

Outreach service is an innovative way to continue to provide Post Office[®] services in some areas where we may need to close a Post Office[®] branch. The outreach service will be located within the same community as the current Post Office[®] branch and provide Post Office[®] services for a designated number of hours per week.

There are four possible types of outreach service:

The Mobile Service is a travelling Post Office[®] situated within a van operated by the core subpostmaster or his assistants that will visit small communities at set times and days each week to deliver certain Post Office[®] products and services to customers.

The Hosted Service is a fixed site Post Office[®] branch from which the core subpostmaster or his assistants transact certain Post Office[®] products and services during restricted hours each week. The premises are owned by a third party, for example, a shop or community centre.

The Partner Service is a fixed site Post Office[®] where a local partner (such as a pub landlord), appointed by the core subpostmaster, transacts certain Post Office[®] products and services from the partner's own premises during the opening hours of the partner's business.

The Home Service is a service for very small communities whereby the core subpostmaster delivers a reduced range of Post Office[®] products and services which are ordered over the telephone by customers. The products may either be delivered to the customer's home or at a local drop-in session. There will not be a physical Post Office[®] building in the community.

For each of these services an established subpostmaster (known as the "core" subpostmaster) will travel into a nearby community to provide a local Post Office[®] service; in addition to running their own Post Office[®] branch.

Over the past 18 months, 70 Outreach access points have been trialled. These services have been provided by 28 core branches, and this also draws on our experience of successfully operating over 250 'satellite' branches since 2000.

Post Office Ltd is proposing to introduce a number of Outreach service points as part of this Area Plan and is actively working to develop suitable proposals for the branches proposed for replacement Outreach services detailed within this booklet.

We would therefore like to seek views from our customers and their representatives on the Hosted Services proposed for Bewcastle, Brough, Dent, Endmoor, Hayton Carlisle and Leven Valley, and the Partner Service proposed for Hallbankgate. Full details of the proposed new services are provided overleaf.

Cumbria area plan – Post Office branch proposed Hosted service

Post Office® Bewcastle branch
Lyne Bank, Bewcastle, Carlisle, CA6 6PW

Post Office Ltd is proposing to close Bewcastle Post Office® branch on a permanent basis and to mitigate the impact of the proposed closure we propose to put in place a Hosted Service, as detailed below from July 2008:

Proposed outreach service:

Outreach Service Point Roadhead Public Hall Roadhead Carlisle CA6 6NL Opening times <table><tr><td>Tue</td><td>14:00 – 16:00</td></tr></table> Services The standard range of products and services will continue to be available, with the addition of DVLA facilities. Customers can still collect benefits in cash using our everyday banking services or Post Office® card account.	Tue	14:00 – 16:00	Access and facilities There is level access at the entrance. Transport There is a car park outside the hall. Route The proposed location is 1.5 miles away from the current Bewcastle branch along hilly terrain.
Tue	14:00 – 16:00		

Access to services outside these times:

Kershopefoot branch Kershopefoot Newcastleton TD9 0TJ	Newcastleton branch 12A Douglas Square Newcastleton TD9 0QD	Roweltown branch Roweltown Carlisle CA6 6LA
---	---	---

Cumbria area plan – Post Office branch proposed Hosted service continued:

Post Office[®] Brough branch
Main Street, Brough, Kirkby Stephen, CA17 4BL

Post Office Ltd is proposing to close Brough Post Office[®] branch on a permanent basis and to mitigate the impact of the proposed closure we propose to put in place a Hosted Service, as detailed below from July 2008:

Proposed outreach service:

Outreach Service Point Memorial Hall New Road Brough CA17 4AS	Access and facilities The Memorial Hall has level access.
Opening times Mon, Wed & Thur 09:00 – 13:00	Transport Roadside parking is available outside the Memorial Hall.
Services The standard range of products and services will continue to be available with the addition of Passport checking and Dollar On Demand Currency facilities. Customers can still collect benefits in cash using our everyday banking services or Post Office [®] card account.	Route The proposed location is approximately 120 yards from the current Brough branch along level terrain.

Access to services outside these times:

Kirkby Stephen branch Market Street Kirkby Stephen CA17 4QW	Crosby Garrett branch Crosby Garrett Kirkby Stephen CA17 4PW	Warcop branch Gregsons Stores Warcop Appleby-In-Westmorland CA16 6PL

--	--	--

Cumbria area plan – Post Office branch proposed Partner service

Post Office® Hallbankgate branch

Penrith Co-operative Society, Hallbankgate, Brampton, CA8 2NJ

Post Office Ltd is proposing to close Hallbankgate Post Office® branch on a permanent basis and to mitigate the impact of the proposed closure we propose to put in place a Hosted Service, as detailed below from July 2008:

Proposed outreach service:

Outreach Service Point The Co-operative Store Hallbankgate Brampton CA8 2NJ	Access and facilities There is level access at the entrance. Transport There is a car park outside the store.								
Opening times <table border="1"> <tr> <td>Mon, Tue, Wed</td><td>08:00 – 12:30 13:30 – 17:30</td></tr> <tr> <td>Thu, Fri</td><td>08:00 – 17:30</td></tr> <tr> <td>Sat</td><td>08:00 – 13:00</td></tr> <tr> <td>Sun</td><td>09:00 – 12:00</td></tr> </table>	Mon, Tue, Wed	08:00 – 12:30 13:30 – 17:30	Thu, Fri	08:00 – 17:30	Sat	08:00 – 13:00	Sun	09:00 – 12:00	Route The proposed partner outreach service will be located at the current site.
Mon, Tue, Wed	08:00 – 12:30 13:30 – 17:30								
Thu, Fri	08:00 – 17:30								
Sat	08:00 – 13:00								
Sun	09:00 – 12:00								
Services The Partner service would offer a range of the most commonly used Post Office products and services including collecting benefits in cash using our everyday banking services or Post Office® card account, bill payment and mail posting (with some restrictions).									

Access to services outside these times:

Brampton branch Front Street Brampton CA8 1NN	Warwick Bridge branch The Post Office Warwick Bridge Carlisle CA4 8RN	Halton Lea Gate branch 43 Leaside Halton Lea Gate Brampton CA8 7LA
---	--	---

In the following communities we would like to propose a Hosted Service. To date we have been unable to reach an agreement on a suitable site. We would therefore like to seek views from our customers and their representatives as to a suitable location for this service in the local community. If we are unable to identify a suitable location then our alternative proposal is to introduce a Mobile service for the total number of hours per week, as detailed below, from July 2008. Full details of the proposed Mobile services are provided overleaf.

Branch name	Hours per week
Castle Carrock	3
Greenodd	11
Irthington	8

Cumbria area plan – Post Office branch proposed Mobile service

Post Office® Castle Carrock branch
Castle Carrock, Brampton, CA8 9LT

Proposed Mobile Service:

Outreach Service Point In the vicinity of The Watson Hall Castle Carrock Brampton CA8 9LT	Visiting times <table><tr><td>Mon</td><td>14:00 – 17:00</td></tr></table> Services The standard range of products and services will continue to be available, with the addition of DVLA facilities. Customers can still collect benefits in cash using our everyday banking services or Post Office® card account. Access and facilities There is a step into the Mobile branch, but an electronic tailgate is available to facilitate easy access for wheelchair users and those with disabilities.	Mon	14:00 – 17:00	Transport There are roadside parking facilities available nearby. Route The proposed Mobile Service will be located 500 yards from the current Castle Carrock branch along level terrain.
Mon	14:00 – 17:00			

Access to services outside these times:

<p>Brampton branch Front Street Brampton CA8 1NN</p>	<p>Armathwaite branch Armathwaite Front Street Carlisle CA4 9PA</p>	<p>Croglin branch The Smithy Mulcaster Place Croglin Carlisle CA4 9RX</p>
---	--	--

Cumbria area plan – Post Office branch proposed Mobile service continued

Post Office® Greenodd branch
Main Street, Greenodd, Ulverston, LA12 7RB

Proposed Mobile Service:

<p>Outreach Service Point Outside the Village Hall, next to the BT phone box, LA12 7RD</p> <p>Visiting times 11 hours per week – exact opening times to be confirmed.</p>	<p>Services The standard range of products and services will continue to be available, with the addition of DVLA, UK passport checking and On Demand Bureau de Change facilities. Customers can still collect benefits in cash using our everyday banking services or Post Office® card account.</p> <p>Access and facilities There is a step into the Mobile branch, but an electronic tailgate is available to facilitate easy access for wheelchair users and those with disabilities.</p>	<p>Transport There are parking facilities available nearby.</p> <p>Route The proposed Mobile Service location will be sited 500 yards from the current Greenodd branch along level terrain.</p>
---	---	---

Access to services outside these times:

<p>Ulverston branch County Square Ulverston LA12 7AA</p>	<p>Croftlands Park branch 46 Central Drive Ulverston LA12 9JN</p>	<p>Grizebeck branch Grizebeck Filling Station Grizebeck Kirkby-In-Furness LA17 7XH</p>
---	--	---

Cumbria area plan – Post Office branch proposed Mobile service continued

Post Office® Irthington branch
Irthington, Carlisle, CA6 4NN

Proposed Mobile Service:

Outreach Service Point In the vicinity of St Kentgern's Church Irthington Carlisle CA6 4NN	Visiting times <table><tr><td>Tue, Thu</td><td>09:00 – 13:00</td></tr></table> Services The standard range of products and services will continue to be available, with the addition of DVLA facilities. Customers can still collect benefits in cash using our everyday banking services or Post Office® card account. Access and facilities There is a step into the Mobile branch, but an electronic tailgate is available to facilitate easy access for wheelchair users and those with disabilities.	Tue, Thu	09:00 – 13:00	Transport There are roadside parking facilities available nearby. Route The proposed Mobile Service will be located 500 yards from the current Irthington branch along level terrain.
