

Whitehaven Regeneration Programme Implementation Plan

Summary: to update members on progress on delivery of the Whitehaven Regeneration Programme and to secure their views on the draft Implementation Plan.

Members will be familiar with the Whitehaven Regeneration Programme. The current phase of work comprises four strands of activity:

- Whitehaven Town Centre
- Pow Beck
- South Whitehaven
- Coastal Fringe

Consultants have been retained to produce a delivery plan to guide the development from concept and design through to the implementation phase and delivery on the ground.

Officers wish to inform the OSC of progress and to secure members views on the Implementation Plan. The closing date for comments on the Plan are 13 February 2007.
