1.0 SUPPORTING INFORMATION

- 1.1 The Council has been consulted by Capita Symonds in respect of a proposed footpath diversion at Birkhams Quarry, St Bees Head, a copy of which is appended to this report.
- 1.2 The diversion is required to allow further extraction of sandstone from the quarry and it would involve the construction of a new section of footpath.
- 1.3 As there is reasonable justification for this proposal on economic grounds it is considered worthy of support.
