Dear Terry

Healthy Communities Thematic Group – Nomination of a Representative

As a result of the new structure of West Cumbria Strategic Partnership, five Thematic Groups have now been established. I have now taken on the Chair of the Healthy Communities Thematic Group, whose aim is to provide a forum for the improvement of health and reduction of inequalities in West Cumbria. A key objective is to ensure joined up action to improve the quality of life and health of disadvantaged groups and older people.

I am now writing to ask if you will nominate an officer and a member of the Council to act as representative on the Group. The first meeting of this Group is on 20<sup>th</sup> June, 2006 at 2.00 p.m. and I would be grateful for an early reply, preferably before 6<sup>th</sup> June.

I look forward to hearing from you.  
Yours sincerely
