1. INTRODUCTION

1.1 Cumbria Police have asked that the following areas of Frizington become “Designated Public Places”:-

- a) Frizington Road from the 30mph signs entering the village to the junction of Coronation Drive/Mill Street;
- b) Frizington Main Street from the 30mph signs entering the village to the Junction of Coronation Drive/Mill Street;
- c) Mill Street, Frizington from the 30mph signs entering the village to the junction of Coronation Drive/Frizington Main Street
- d) Coronation Drive Frizington from junction of Coronation Drive/Frizington Main Street as far as the playpark

e) Playpark to the rear of Coronation Drive.

- 1.2 Their reasoning tells us that the police have has 30 reports of incidents of anti-social behaviour in the Frizington Ward in the last two months alone. It is their opinion that incidents of drinking in public places and the ensuing Anti-Social behaviour are also the prime cause of criminal offences by key public areas of the village. They believe that this ongoing problem is having a detrimental effect to the quality of life of the residents of the village.
- 1.3 They believe their application also links in well with the Police's current Respect Campaign and confirm that if approved they intend to enforce the designation where necessary.

2. NEXT STEPS

- 2.1 In order to test public reaction to this proposal it is recommended that statutory consultation now take place.
