<b>(STATUTORY SET FEES)</b>	<b>£</b>	<b>£</b>
There is a new initiative entitled "charging a fair price" which is scheduled for introduction in April 2006. This is to be discussed at the next meeting of the Cumbria Building Control Association to be held on 17th January 2006. Firm decisions will be taken at this time and a revised Scheme of Charges will then be available to include in a report to Members. General feeling is that charges will be designed to cover inflation.
