1.0 SUPPORTING INFORMATION

- 1.1. The site is an established housing development nearing completion. There are 7 individually named properties within the site. The developer has referred to the site as 'Blackbeck' since works commenced (in approximately the year 2000). All the current occupants use 'Blackbeck' as their street name. This name has not, however, gone through the formal street naming and numbering process.
- 1.2 Millom Without Parish Council have been consulted and have raised an objection on the grounds that there is an existing property, pre-dating the works on site, named Blackbeck. Confusion between addresses is known to have arisen due to this duplication.
- 1.3. At all times it is sought to avoid duplication in order that emergency and delivery services can easily locate properties within Copeland.
