Impact on delivering the Corporate Plan: None

Impact on other statutory objectives: None

Financial and human resource implications: Staff time and the costs of advertising an order, which can be met from existing Budgets.

1. Introduction

1.1 Cumbria Police have asked that parts of Frizington be designated as "Designated Public Places". The areas requested are:-

- a) Frizington Road, from the 30mph signs entering the village to the junction of Coronation Drive/Mill Street;
- b) Frizington Main Street, from the 30mph signs entering the village to the junction of Coronation Drive/Mill Street;
- c) Mill Street, Frizington from the 30mph signs to the junction of Coronation Drive/Frizington Main Street
- d) Coronation Drive, Frizington from the junction of Coronation Drive/Frizington Main Street as far as the Playpark.
- e) Playpark to the rear of Coronation Drive.

1.2 A newspaper advertisement has been placed in the Whitehaven News. Cumbria Police, Arlecdon Parish Council and local licensees have all been consulted. No adverse comments have been received. However Cllr Jackson has asked if the curtilage of St Paul's Church can also be included. Because of the nature of the surrounding cemetery this could be considered a "Public Place". Consultations are taking place on this suggested addition and the results of these will be reported to the meeting.

2. CONCLUSION

- 2.1 As there have been no adverse comments and satisfactory evidence has been received from Cumbria Police that a problem exists, Council is recommended to give authority to make a Designation Order as described in 1.1 above and to add St Paul's Church subject to the results of further consultation.
