**C08 Copeland Local Plan 2016 – Formal Adoption**

Consideration was given to the recommendations of the Local Plan Working Party on objections, and representations in support, received during the formal deposit period in respect of proposed modifications to the draft Copeland Local Plan. The Local Plan Working Party had recommended that no further modifications be made in response to the objections and representations received.

Members asked questions of the officers in respect of specific sites where objections or representations had been received.

It was then moved by Councillor G Blackwell, seconded by Councillor P C Connolly, and

**RESOLVED** – that (a) no further modifications are made and that the Plan be adopted in its present form; and

(b) the Local Plan Working Party be continued with its present terms of reference and membership, but redesignated the Local Development Framework Working Party.

The meeting closed at 3.10 pm

Mayor
