## **INTRODUCTION**

1. The County Council is setting up a West Cumbria Local Partnership Group to oversee a major review of school organisation in Cumbria. The Partnership Group will comprise approximately 27/28 people drawn from schools, local authorities and other local organisations. The full list of proposed participants is attached at Appendix "A", together with other details.
2. The Council is being asked to nominate one representative and one substitute until September 2007. It is expected that meetings (approximately 2 hours) will be held weekly or fortnightly in various locations in West Cumbria.
3. The Council is asked to appoint one representative to the proposed West Cumbria Cycleway Partnership (see Business Growth Portfolio Report).
