Statement of Executive Decision

Agenda Item: 7	
Subject: Albion Square Stage 1 – Design Cons	sultancy
Date of Decision: 22 September 2009	Decision made by:
Decision Reference: EXE/09/0046	Full Executive

Portfolio Holder: Councillor Ms E Woodburn

Context:

To advise Members on progress of this key regeneration project and continue the progress and development of the project with additional funding

Key Decision Status:		
No		

Decision

That a) £52,000 be committed and earmarked from Capital Receipts Reserves to fund the development of the Albion Square project to complete Stage 1 resulting in a detailed design and planning application; and

b) the Capital Programme 2009/10 be revised to reflect this increase in approvals

In June 2009 the Council committed to the Albion Square project. To date the Council has matched funding from West Lakes Renaissance of £155,000.

Following an extensive process of 155 Expressions of Interest, 35 Pre Qualification Questionnaires and a short list of 7 top national design consortia, the project group have appointed RMJM to develop the design of the scheme. In a parallel process Eversheds have been appointed to undertake the site assembly process.

The work already undertaken by RMJM together with the letting of the CPO contract has been met by the previously approved project budget for phase 1 of this Stage 1 development.

This report seeks approval to allocate funding to complete stage 1.

Statement of Executive Decision

Agenda Item: 8	
Subject: Looking After Our Town Centres	
Date of Decision:22 September 2009	Decision made by:
Decision Reference: EXE/09/0047	Full Executive
Portfolio Holder: Councillor C Giel	
Context:	
Executive is advised of plans to allocate Copel improving our town centres	and's funding from DCLG aimed at
Key Decision Status:	
No	

Decision

Executive is asked to

- a) approve the outline action plan to allocate the funding
- b) approve delegation of detail decision making on the programme to Julie Betteridge (Head of Development Strategy) in consultation with Cllr C Giel (Development Strategy Portfolio holder) with regard detail spend within each town

In August the Government announced a £3million funding package to help town centres through the recession.

Copeland is one of the successful Local Authorities to have been awarded funding and has been allocated £52,632 to fund creative ways to use its empty shops and re-open them as facilities for communities.

This report advises of plans to allocate Copeland's funding.

Statement of Executive Decision

Agenda Item: 9	
Subject: Remote Working	
Date of Decision: 22 September 2009	Decision made by:
Decision Reference: EXE/09/0048	Full Executive

Portfolio Holder: Councillor J Bowman

Context:

The report seeks the agreement of the Executive to a new policy which sets the Council's framework for the introduction and operation of various forms of remote working

Key Decision Status:

No

Decision

That the draft Remote Working policy be approved and become effective as soon as possible.

Explanation

Since 2005/6 the Council has set up several pilots to trial remote working, which include:

Executive last considered Remote Working on 24 October 2006. It is now considered important to regularise the framework that the Council has in place for remote working, so that it can be used as a normal part of work management arrangements when needed. The requirement to meet Government Direct Code of Connection (Coco) by 30 September 2009 is an additional driver to ensure that remote connections to the Council's network comply with national standards. Remote working is now considered to be an important component of the Council's business continuity arrangements. A Council policy for this will safeguard the Council's operations.

Statement of Executive Decision

Agenda Item:10	
Subject: Copeland Future Jobs Initiative	
Date of Decision: 22 September 2009	Decision made by:
Decision Reference: EXE/09/0049	Full Executive

Portfolio Holder: Councillor C Giel

Context:

To consider a report on developing the Copeland Futures Jobs Initiative

Key Decision Status:

No

Decision

Executive are requested to:

- a) note the progress on developing the initiative;
- b) agree in principle that the Council will be the employer for the Copeland Future Jobs Fund Initiative; and,
- c) note that a detailed report on the initiative, including resourcing, will be brought back to Executive by November 2009

Copeland Borough Council successfully applied to the Future Jobs Fund for an initiative to create 48 additional jobs targeted at long term unemployed young people across Copeland. We are working in partnership with a range of partners supporting and enabling workless people into job and training opportunities, including Job Centre Plus.

The Copeland Future Jobs Fund Initiative is looking at engaging 30 employers to provide the 48 one year jobs. We are expecting 40 of the 48 ie 83% to be under 25 years of age and 12% to be on incapacity benefit rather than a long term claimant. We have set a target for all the Future Job Fund employees to receive vocational training whilst in this employment with at least half getting accredited qualifications as a result. We anticipate 15 of the employees will require basic skills training and at least a quarter of the individuals will require intense support prior to starting their employment.

Statement of Executive Decision

Agenda Item: 12	
Subject: Partnership Development and Asset N	/lanagement
Date of Decision: 22 September 2009	Decision made by:
Decision Reference: EXE/09/0051	Full Executive

Portfolio Holder: Councillor Ms E Woodburn

Context:

This report advises of potential improvements in shared services through a partnership with Her Majesty's Revenue Commissioners (HMRC) to provide their 'Face to Face' services within the Copeland Centre for a period of three years. Some income will be generated but the Council will not incur any costs.

Key Decision Status:		
No		

Decision

That Council be recommended to approve in principle :- that

- a) a lease to Her Majesty's Revenue and Customs (or body designated by such for holding property for their functions) of part of the Copeland Centre be granted; and
- (b) the completion of any ancillary documentation necessary to facilitate such lease; and in both cases the approval of the detailed terms of such documentation be delegated to the Head of Development Operations in consultation with the Head of Finance and Management Information Services and the Head of Legal and Democratic Services

As a result of national changes to governance Her Majesty's Revenue and Customs has approached Copeland Borough Council to explore the opportunity for provision of space at the Copeland Centre for provision of services within the town and Borough.

A positive response from the Council demonstrate a willingness to contribute to provision of joined up services and officers would wish to make every effort to assist so long as this does not prejudice Council services. The proposals have been taken to Corporate Team where a positive response was received.

Agenda item. 13	
Subject: Copeland Regeneration Plan	
Date of Decision: 22 September 2009	Decision made by:
Decision Reference: EXE/09/0052	Full Executive
Portfolio Holder: Councillor C Giel	
Context:	
Key Decision Status:	
No	

Decision

Agonda Itam: 12

That

- a) the revised spend profile for the Working Neighbourhood Fund be noted; and
- b) the revised spend profile be extended into 2011/12 to enable planned resources to deliver key actions in the Copeland Regeneration Plan be agreed.

Explanation

In August, 2008, the Executive approved a three year spend profile, 2008-11, for the Working Neighbourhood Fund (WNF) to enable a range of regeneration activities. The past year has seen the development and delivery of the Copeland Regeneration Plan.

Current (WNF) commissioning will enable over 120 jobs, train and support X local people and assist Y small business start ups through supporting over ten regeneration activities over the next 3 years

Statement of Executive Decision

Agenda Item: 14	
Subject: Wise - Enterprise Coaches Delivery in	Copeland
Date of Decision: 22 September 2009	Decision made by:
Decision Reference: EXE/09/0053	Full Executive

Portfolio Holder: Councillor C Giel

Context:

This report highlights the continuation of the successful WISE initiative in West Cumbria and an opportunity for the Council as a key partner to assist in the local recruitment of Copeland project workers

Key Decision Status:		
No		

Decision

That

- a) the Council take on the employer role for the three Copeland project staff on fixed term contracts in line with the available funding; and
- b) the final decision be delegated to the Head of Development Strategy and Human Resources Manager in consultation with the two Portfolio-Holders, Cllr Cath Giel and Cllr John Bowman

Call-in Period Expires on:

2 October 2009

The WISE (Ways into Self Employment) project has been very successful over its first three years of operation working with 528 residents in Copeland. A package of funding including £60,000 LABGI resources from Copeland Borough Council enabled the delivery until March 2009. Allerdale Borough Council agreed to take the lead partner role including employing and managing the four project staff across West Cumbria..

The WISE project is continuing for a further three years, 2009-12, to provide an extended service of enterprise coaches within the communities within the boroughs of Copeland and Allerdale. This project will be delivering alongside and referring local residents to the intensive business start up contractors under the national Business Support Simplification Programme.
