Recommendation:	That the draft revised Race Equality Scheme attached to this report be adopted by the Council.

1. INTRODUCTION

- 1.1 Attached is a draft report submitted to the September Council meeting. Consideration of the report was deferred for further information.

2. FURTHER INFORMATION

- 2.1 At the September meeting, Members asked for further information on the impact that the Race Equality Scheme as drafted might have on the Council's Employment policies in the future. Having investigated this question, I can confirm that the wording of the draft Scheme would have no effect as our Employment policies are already in compliance with the aims of the draft Scheme.
