Councillor John Jackson declared a non-pecuniary interest in Planning Application 4/12/2566/0F1 – Application for the installation of a single 11kw Gaia Wind Turbine at Land at Low Thorney Farm, Carleton, Egremont due to his brother living in the vicinity of the proposed wind turbine.

PP51/12 Planning Applications

Due to members of the public being present the following applications were dealt with at this point of the meeting.

4/12/2541/0F1 – application for Improved vehicle access & proposed alterations to Car Park, plus construction of 8 new houses at Adams Recreation Ground, Beach Road, St Bees.

During discussion of this item Mr J Knewstubb spoke in objection to the application and Mrs L Coe (Agent) exercised her right to respond.

RESOLVED – That the application be Defered to allow for a Site Visit to be undertaken.

4/12/2566/0F1 - application for the installation of a single 11kw Gaia Wind Turbine at Land at Low Thorney Farm, Carleton, Egremont.

Members were advised that two attempts to hold a site visit on 13th and 27th February 2013 had been abandoned due to poor visibity.

RESOLVED – That the application be Deferred to allow for a further Site Visit to be undertaken.

The remaining Planning Applications were dealt with at this point of the meeting.

RESOLVED – That applications for planning permission be determined as shown on the schedule hereto, subject to conditions of approval and reasons for refusal as set out in the report of the Head of Nuclear, Energy and Planning dated 27 February 2013.

PP52/12 Whitehaven South Supplementary Planning Document

Members were given a presentation by the Senior Planning Policy Officer informing them of the work that has been done on a Supplementary Planning Document (SPD) for the South Whitehaven area.

The Panel was advised that the South Whitehaven SPD would set out a planning framework which would guide new development in the area. It was anticipated that South Whitehaven would accommodate a new large scale housing development and associated infrastructure together with a range of improvements to the local neighbourhoods of Woodhouse and Greenbank.

The draft SPD had been subject to extensive consultation and the final text was approved by the Local Development Framework Working Party on 14 February 2013. The document was currently with the graphic designers and would be presented to Full Council on 21 March with a recommendation that it be adopted.

Once adopted, the SPD would be a material consideration in making decisions on planning applications and would carry significant weight in the decision making process for South Whitehaven. It would also for part of the wider Copeland Local Development Framework.

RESOLVED – that the current status of the draft South Whitehaven Supplementary Planning Document and the timescale for formal adoption be noted.

PP53/12 Planning Enforcement Update

Members received a report on current planning enforcement issues and a presentation from the Planning Enforcement Officer, including photographs of specific examples.

During discussion of this item, Members expressed their appreciation of the work being undertaken by the Planning Enforcement Officer and expressed their support for any enforcement action taken where necessary.
