

Strategic Nuclear & Energy Board Programme Update

LEAD OFFICER: John Groves
REPORT AUTHOR: Denice Gallen

Summary and Recommendation:

SNEB programme updates

1. Changes to the programme

Since the programme was agreed it has come to the Councils attention that the NDA intend to carry out a consultation into the 'NDA Strategy 3' 2016. In September 2015 there will be a 13 week formal consultation process and national workshops. The Council intends to request a presentation for all Copeland Members in Spring 2015 prior to the national workshops. In the first quarter 2015 there will be a paper to SNEB on the key issues with details of the Member presentation.
