**Land charges personal search**

A **personal search** is an inspection of the Local Land Charges Register and can be carried out by anyone. Please note that a personal search does not provide all the information given on a full (LLC1 and CON29) search.

It is the responsibility of the person carrying out the personal search to identify the land/property and to make any notes of information held on the Register.

The Council does not have an obligation to answer any supplementary enquiries when a person is making a personal search.

The Local Land Charges Register is available for inspection by appointment only. Appointments must be made 24 hours in advance. For further information or to make an appointment please contact the Land Charges Officer.
