

NOTICE OF EXECUTIVE DECISION

Local Authority (Executive Arrangements)(Meetings and Access to Information) (England) Regulations 2012

This is a formal notice published in accordance with Regulation 11(2) of the above Regulations.

In accordance with this Regulation this notice is to inform you that on the 29th May 2020 Mike Starkie, Elected Mayor made a decision under section 9E(2)(a) of the Local Government Act.

This decision was a key decision. However due to the nature of the decision it was not practicable to give five days' notice of said decision. The reason the 5 days' notice was not given was a number of businesses are suffering the impact of Covid-19 and the Government has requested that part of unused grant previously allocated is provided to additional types of businesses. It is important that these grants, are rolled out quickly to avoid further hardship and it is not practicable to wait 28 days or 5 days.

The Chair of the Overview and Scrutiny Committee gave his consent to the decision on the 29th May 2020.

Noticed Dated: 5th June 2020.
