

## Shopfront Design Guide Supplementary Planning Document Consultation Response Form

Copeland Borough Council has recently produced a draft Shopfront Design Guide Supplementary Planning Document (SPD). This is to help ensure attractive and effective shopfronts are provided and maintained in order to support the vitality of the borough’s town centres and villages. The SPD will support the emerging Copeland Local Plan (2017-2035) and is a material consideration in the planning decision making process. This form should be viewed alongside the draft SPD and used to make any comments or recommendations on the draft document.
