

## Trees & Woodlands

Trees and woodland are a large part of Copeland's landscape.

The Council manages approximately 200 hectares - this includes trees in

- Parks
- Open Spaces
- Woodlands
- Road verges

### Trees on Council land

If you have an enquiry regarding trees or woodland on Council owned land, please contact our customer services team on 01946 598300 or by email to [info@copeland.gov.uk](mailto:info@copeland.gov.uk).

For out of hours **emergencies** please contact **01946 598300**.

### Trees on privately owned land and Tree Preservation Orders (TPO)

Special planning controls that protect trees, and what you need to do if you intend to fell, prune or do work to them.

Many trees that are important to the local environment are subject to Tree Preservation Orders. This means that you need to apply to the Council for permission to fell, prune or do other work to them.

It is an offence to do work to a tree covered by a Tree Preservation Order without first getting permission from us.

You will need to contact our planning team at [developmentcontrol@copeland.gov.uk](mailto:developmentcontrol@copeland.gov.uk) for advice and guidance on tree preservation orders, trees in conservation areas and more about trees on privately owned land
