

Who are Northern Gas Networks?

We look after the 37,000km of gas mains in your area. We don't own the gas but it's our job to transport it safely to you.

**We do not object to your
planning application**

Dear Sir/Madam,

Northern Gas Networks acknowledges receipt of the planning application at FORMER MARCHON CHEMICAL FACTORY, whitehaven, CA

Northern Gas Networks has no objections to these proposals, however there may be apparatus in the area that may be at risk during construction works and should the planning application be approved, then we require the promoter of these works to contact us directly to discuss our requirements in detail. Should diversionary works be required these will be fully chargeable.

We enclose an extract from our mains records of the area covered by your proposals together with a comprehensive list of precautions for your guidance. This plan shows only those mains owned by Northern Gas Networks in its role as a Licensed Gas Transporter (GT). Privately owned networks and gas mains owned by other GT's may also be present in this area. Where Northern Gas Networks knows these they will be

represented on the plans as a shaded area and/or a series of x's. Information with regard to such pipes should be obtained from the owners. The information shown on this plan is given without obligation, or warranty, the accuracy thereof cannot be guaranteed. Service pipes, valves, siphons, stub connections, etc., are not shown but their presence should be anticipated.

No liability of any kind whatsoever is accepted by Northern Gas Networks, its agents or servants for any error or omission. The information included on the enclosed plan should not be referred to beyond a period of 28 days from the date of issue.

If you have any questions, our Before You Dig Team will be able to help on **0800 040 7766 (option 3)** or beforeyoudig@northerngas.co.uk

Kind regards

NGN Before You Dig Team
