NOTES

Do not scale from this drawing. Only figured dimensions are to be taken from this drawing.

The contractor must verify all dimensions on site before commencing any work or deep drawings.

The contractor must report any discrepancies to design by pod before commencing work. If this drawing exceeds the quantities taken in any way, design by pod will be informed before the work is initiated.

Outlines for any information is used as design by pod and drawings, design by pod will be responsible for the accuracy of dimensions relating to any Ordnance Survey data, or beyond the boundary of the inserted topographic survey data.

Work within The Construction (Design and Management) Regulations 2015 is not to start until a Health and Safety Plan has been produced.
