

- 1 Where this drawing has been issued in electronic dwf format it has been done so in good faith. Vagstad & Holmes Ltd take no liability responsibility for any errors or omissions in the drawings. It is the responsibility of the contractor (or pdf) drawing users. Any apparent discrepancies should be immediately reported to Vagstad & Holmes Limited. The electronic/dwf should not be used for scale and dimensions. It is recommended that the contractor check the accuracy of the drawings by checking the original drawings. All dimensions should be taken from the printed drawings. The contractor shall be responsible for any additional information, Vagstad & Holmes Limited take no responsibility for this information, and the contractor shall be checked against the original drawings.
- 2 Do not scale this drawing or model. Do not assume. All dimensions to be verified on site. This drawing is to be used in conjunction with all other Architectural drawings and the specification document.
- 3 Any discrepancies between drawings of different scales, and between drawings and specifications where appropriate, are to be referred to the Architect for decision.
- 4 Copyright reserved. This drawing may only be copied for the Client and location specified in the title block. It may not be copied or reissued; to any third party without the prior written consent of Vagstad & Holmes Limited.
- 5 This drawing should only be used for construction if the drawing status is "Contract Approved". It is not to be used for construction for construction works undertaken to drawings which are not marked with this status.
- 6 The Contractor carrying out the works is responsible for and must take all necessary precautions to ensure that the drawings are not misused during construction. All workmanship and materials are to be to current British Standards. All dimensions, measurements and quantities are to be taken as shown unless otherwise stated. All dimensions and quantities shall be checked against the current legislation.
- 7 All services are to be located and protected as necessary by the Contractor prior to the commencement of the works.
