

**Survey Control:** Markers established for mapping purposes only and should not be used for construction without the written approval of Survey Operations Ltd.

**Drainage:** Information must be verified with local authority records before use.

**Background Topographical Survey Information:** shown for location of buried underground services only.

All approval lists without additional notation show the approximate location of reported utility or failure as indicated on state records submission and supplied at time of survey.

| SURVEY STATIONS |          |       |       |
|-----------------|----------|-------|-------|
| STATION         | DATE     | TIME  | TIME  |
| 1001            | 10/10/01 | 10:00 | 10:00 |
