5. Proposed Demolition Works

Please describe the building(s) to be demolished:

Small single storey outbuilding approx. 5m x 4m stone construction with pitch slate roof. One elevation eaves level to the embankment ground level.

Please state why demolition needs to take place:

The existence of the outbuilding was not previously known. An application was recently approved for the demolition of the main building, in which the outbuilding was omitted due to its presence being unknown. This application is for consistency to ensure there are no remaining unused and unnecessary building remaining on site when the main building is demolished. It is in a state of of disrepair and has not been used in many years.

Please describe the proposed method of demolition:

Remove all the ivy and dispose off-site; Removal of the roof coverings and structure and dispose off-site; Demolition of the front section of building; Reduce the rear wall to below the height of the banking, this will retain the banking; Reduce the returning walls to just below the contours of the banking to act as a buttress to the rear wall.

Please provide details of the proposed restoration of the site:

Waste, including the building and foundations will be removed. Restoration is planned on the basis the rear of the structure is partially to the rear eaves level constructed within the embankment. Infill the void with Demolition arisings and compact to support the rear wall; Place 150mm of topsoil over area in fitting with the contours of the existing banking; Seed area; Site clearance of any remaining materials.

Please state the expected date of commencement of works (DD/MM/YYYY): DATE MUST BE POST SUBMISSION

Please state the expected date of completion of works (DD/MM/YYYY): DATE MUST BE POST SUBMISSION
