FAO Mr Ian Todd

OUTLINE APPLICATION FOR HOUSING DEVELOPMENT LAND ADJACENT TO 25 ARLECDON ROAD, ARLECDON, FRIZINGTON

PCL Development Ltd

The above application dated 04/03/2020 has been considered by the Council in pursuance of its powers under the above mentioned Act and OUTLINE PLANNING PERMISSION HAS BEEN GRANTED subject to the following conditions:

1. The layout, scale, appearance, means of access thereto and landscaping shall be as may be approved by the Local Planning Authority.

Reason

To comply with Section 92 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2. Detailed plans and drawings with respect to the matters reserved for subsequent approval shall be submitted to the Local Planning Authority within three years of the date of this permission and the development hereby permitted shall be commenced not later than the later of the following dates:-

- a) The expiration of THREE years from the date of this permission

Or

- b) The expiration of TWO years from the final approval of the reserved matters or, in the case of approval on different dates, the final approval of the last

such matter to be approved.

Reason

To enable the Local Planning Authority to control the development in detail and to comply with Section 92 of the Town and Country Planning Act 1990, as amended by the Planning and Compulsory Purchase Act 2004.

3. Permission shall relate to the following plans and documents as received on the respective dates and development shall be carried out in accordance with them: -

Site Location Plan, scale 1:1250, received 4th March 2020;
Site Plan, scale 1:500, received 4th March 2020.

Reason

To conform with the requirement of Section 91 of the Town and Country Planning Act 1990, as amended by the Planning and Compulsory Purchase Act 2004.

4. No development shall commence until a surface water drainage scheme has been submitted to and approved in writing by the Local Planning Authority. The drainage scheme must include:

(i) An investigation of the hierarchy of drainage options in the National Planning Practice Guidance (or any subsequent amendment thereof). This investigation shall include evidence of an assessment of ground conditions and the potential for infiltration of surface water;

(ii) A restricted rate of discharge of surface water agreed with the local planning authority (if it is agreed that infiltration is discounted by the investigations); and

(iii) A timetable for its implementation.

The approved scheme shall also be in accordance with the Non-Statutory Technical Standards for Sustainable Drainage Systems (March 2015) or any subsequent replacement national standards. The development hereby permitted shall be carried out only in accordance with the approved drainage scheme.

Reason

To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution.

5. Foul and surface water shall be drained on separate systems.

Reason

To secure proper drainage and to manage the risk of flooding and pollution.

6. Prior to occupation of the development a sustainable drainage management and maintenance plan for the lifetime of the development shall be submitted to the local planning authority and agreed in writing. The sustainable drainage management and maintenance plan shall include as a minimum:

a. Arrangements for adoption by an appropriate public body or statutory undertaker, or, management and maintenance by a resident's management company; and

b. Arrangements for inspection and ongoing maintenance of all elements of the sustainable drainage system to secure the operation of the surface water drainage scheme throughout its lifetime.

The development shall subsequently be completed, maintained and managed in accordance with the approved plan.

Reason

To ensure that management arrangements are in place for the sustainable drainage system in order to manage the risk of flooding and pollution during the lifetime of the development.

7. Prior to the occupation of any dwelling on the site the north eastern and north western boundaries of the site must be enclosed by a stone wall in accordance with a detailed scheme which has been submitted to and approved in writing by the Local Planning Authority. The approved wall must be maintained at all times thereafter in accordance with the approved details.

Reason

To ensure a sympathetic boundary treatment which preserves the character and appearance of this part of the village.

8. The carriageway, footways, footpaths etc shall be designed, constructed, drained and lit to a standard suitable for adoption and in this respect further details, including longitudinal/cross sections, shall be submitted to the Local Planning Authority for approval before work commences on site. No work shall be

commenced until a full specification has been approved. These details shall be in accordance with the standards laid down in the current Cumbria Design Guide. Any works so approved shall be constructed before the development is complete.

Reason

To ensure a minimum standard of construction in the interests of highway safety.

9. A 2.0m footway, including street lighting, shall be built along the sites frontage to the U4016 to a standard suitable for adoption, in accordance with details that have first been approved by the local planning authority.

The applicant will need to enter in to an agreement with this authority for these works to be built, all of these works will be at the applicants expense.

Reason

In order to ensure Highway safety for all users.

10. Development shall not commence until a Construction Phase Traffic Management Plan has been submitted to and approved in writing by the local planning authority. The CTMP shall include details of:

- pre-construction road condition established by a detailed survey for accommodation works within the highways boundary conducted with a Highway Authority representative; with all post repairs carried out to the satisfaction of the Local Highway Authority at the applicants expense;
- details of proposed crossings of the highway verge;
- retained areas for vehicle parking, maneuvering, loading and unloading for their specific purpose during the development;
- cleaning of site entrances and the adjacent public highway;
- details of proposed wheel washing facilities;
- the sheeting of all HGVs taking spoil to/from the site to prevent spillage or deposit of any materials on the highway;
- construction vehicle routing;
- the management of junctions to and crossings of the public highway and other

public rights of way/footway;

- surface water management details during the construction phase

Reason

In order to ensure the amenity and highway safety of the area during construction.

Informative

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at:

www.gov.uk/government/organisations/the-coal-authority

Statement

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development as set out in the National Planning Policy Framework.

DEVELOPMENT MANAGEMENT PROCEDURE (ENGLAND) ORDER 2015

PART 2

TOWN AND COUNTRY PLANNING ACT 1990

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.
- The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK](#).

Purchase Notices

- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part V1 of the Town and Country Planning Act 1990.
