## ***ARBORICULTURAL REPORT***

Summary Report for Copeland Borough Council

Prepared by Charles Bennett

**Reference:** 4/20/2495/TPO

**Location:** Castle Park, Whitehaven

**Officer:** Chloe Unsworth

**Date:** 23 December 2020

### **CONSULTANTS REPORT**

#### **DESCRIPTION OF PROPOSAL**

Removal and replacement of two trees in Castle Park, Whitehaven.

#### **DISCUSSION**

The trees are owned and managed by Copeland Borough Council, who have submitted the application. As a Local Planning Authority, the Council are exempt from submitting a notice under S211 Town and Country Planning Act, and can undertake the work at their convenience.

However, it is good practice when the Council is considering work on trees in prominent and well used locations, that they undertake some consultation allowing the public to comment on the proposals.

#### **RECOMMENDATIONS**

Allow the works to proceed at the Councils convenience.
