3D Visual Street scenes, received 6<sup>th</sup> August 2021;  
Design and Access Statement, written by Geoffrey Wallace, received 15<sup>th</sup> June 2021.

#### Reason

To conform with the requirement of Section 91 of the Town and Country Planning Act 1990, as amended by the Planning and Compulsory Purchase Act 2004.

#### Pre-commencement conditions

3. Prior to the commencement of the development, full details of the surface water drainage scheme, including attenuation measures, must be submitted to and approved in writing by the Local Planning Authority. The approved scheme must become operational before the development is brought into use and must be so maintained thereafter.

#### Reason

To ensure a satisfactory scheme of surface water disposal from the site in accordance with Policies ENV1 and DM24 of the Copeland Local Plan.

4. Prior to the commencement of development on site, details of all measures to be taken by the applicant/developer to prevent surface water discharging onto or off the highway must be submitted to and approved in writing by the Local Planning Authority. Any approved works must be implemented prior to occupation of the dwellings and must be maintained as operational thereafter at all times.

#### Reason

To ensure a minimum standard of highway safety and in accordance with Policies ENV1, DM22 and DM24 of the Copeland Local Plan.

5. Development shall not commence until a Construction Traffic Management Plan (CTMP) has been submitted to and approved in writing by the local planning authority. The CTMP shall include details of:
- pre-construction road condition established by a detailed survey for accommodation works within the highways boundary conducted with a Highway Authority representative;
  - with all post repairs carried out to the satisfaction of the Local Highway Authority at the applicants expense;
  - details of proposed crossings of the highway verge;
  - retained areas for vehicle parking, manoeuvring, loading and unloading for their specific purpose during the development;
  - cleaning of site entrances and the adjacent public highway;
  - details of proposed wheel washing facilities;
  - the sheeting of all HGVs taking spoil to/from the site to prevent spillage or deposit of any materials on the highway;
  - construction vehicle routing;
  - the management of junctions to and crossings of the public highway and other public rights of way/footway;
  - Details of any proposed temporary access points (vehicular / pedestrian)
  - surface water management details during the construction phase

Reason

To ensure the undertaking of the development does not adversely impact upon the fabric or operation of the local highway network and in the interests of highway and pedestrian safety and in accordance with Policy DM22 of the Copeland Local Plan.

Pre-occupation condition

6. The access drive shall be surfaced in bituminous or cement bound materials, or otherwise bound and shall be constructed and completed before the development is occupied/brought into use. 1. The access drive shall be surfaced in bituminous or cement bound materials, or otherwise bound and shall be constructed and completed before the development is occupied/brought into use.

Reason

In the interests of highway safety and in accordance with Policy DM22 of the Copeland Local Plan.

### Other planning conditions

7. Foul and surface water must be drained on separate systems.

#### Reason

To secure proper drainage and to manage the risk of flooding and pollution in accordance with Policy ENV1 and DM24 of the Copeland Local Plan.

8. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any order revoking and re-enacting that Order with or without modification), no development of the type described in Classes A, B, C, D, E, F, G of Part 1 and Class A of Part 2 of Schedule 2 of that Order shall be undertaken without the express permission of the Local Planning Authority.

#### Reason

To ensure a satisfactory appearance of the development in the interests of visual amenity in accordance with the provisions of Policy DM10 of the Copeland Local Plan 2013-2028.

### **Informative**

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at:

[www.gov.uk/government/organisations/the-coal-authority](http://www.gov.uk/government/organisations/the-coal-authority)

### **Statement**

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development as set out in the National Planning Policy Framework.

PART 2

TOWN AND COUNTRY PLANNING ACT 1990

**Appeals to the Secretary of State**

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.  
If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.
- The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate ([inquiryappeals@planninginspectorate.gov.uk](mailto:inquiryappeals@planninginspectorate.gov.uk)) at least 10 days before submitting the appeal. [Further details are on GOV.UK](#).

**Purchase Notices**

- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part V1 of the Town and Country Planning Act 1990.
