Reason

To conform with the requirement of Section 91 of the Town and Country Planning Act 1990, as amended by the Planning and Compulsory Purchase Act 2004.

Pre Commencement Conditions

3. The development hereby approved must be carried out in accordance with the Surface Water Drainage Scheme approved as part of condition 3 of permission 4/21/2121/0F1, as detailed within correspondence dated 2nd November 2021 (ref: 4/21/2337/DOC). Development must be carried out in accordance with the approved details and so maintained thereafter.

Reason

To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution in accordance with the provision of Policy ENV1 and Policy DM24 of the Copeland Local Plan 2013 – 2028.

4. The development hereby approved must be carried out in accordance with the Highway Construction and Drainage details approved as part of condition 4 of permission 4/21/2121/0F1, as detailed within correspondence dated 2nd November 2021 (ref: 4/21/2337/DOC). Development must be carried out in accordance with the approved details and so maintained thereafter.

Reason

To ensure a minimum standard of construction in the interests of highway safety.

5. The development hereby approved must be carried out in accordance with the Construction Traffic Management Plan approved as part of condition 5 of permission 4/21/2121/0F1, as detailed within correspondence dated 2nd November 2021 (ref: 4/21/2337/DOC). Development must be carried out in accordance with the approved details and so maintained thereafter.

Reason

To ensure the undertaking of the development does not adversely impact upon the fabric or operation of the local highway network and in the interests of highway and pedestrian safety.

6. The development hereby approved must be carried out in accordance with the Construction Surface Water Management Plan approved as part of condition 6 of permission 4/21/2121/0F1, as detailed within correspondence dated 2nd November 2021 (ref: 4/21/2337/DOC). Development must be carried out in accordance with the approved details and so maintained thereafter.

Reason

To safeguard against flooding to surrounding sites and to safeguard against pollution of surrounding watercourses and drainage systems.

Prior to Use/Occupation Conditions

7. The development hereby approved must be carried out in accordance with the parking and manoeuvring provisions identified within the Site Plan approved as part of condition 7 of permission 4/21/2121/0F1, as detailed within correspondence dated 10th October 2022 (ref: 4/22/2347/DOC). Development must be carried out in accordance with the approved details and so maintained thereafter.

Reason

To ensure a minimum standard of parking provision is made within the site for vehicles visiting the site.

8. The development hereby approved must be carried out in accordance with the schedule of materials set out in the approved document:
 - Schedule of Materials, Prepared by Gadsden Consulting, received by the Local Planning Authority on the 13th July 2022.

The development must be retained in line with these approved details at all times thereafter.

Reason

To ensure a satisfactory appearance of the development in the interests of visual amenity.

Prior to Erection Conditions

9. The development hereby approved must be carried out in accordance with the details of the external staircase approved as part of condition 9 of permission 4/21/2121/OF1, as detailed within correspondence dated 21st December 2021 (ref: 4/21/2539/DOC). Development must be carried out in accordance with the approved details and so maintained thereafter.

Reason

To ensure a satisfactory appearance of the development in the interests of visual amenity.

Other Conditions:

10. The development must be carried out in accordance with and implement all of the details and mitigation measures specified within the following approved documents:
 - Flood Risk Appraisal, Prepared by M & P Gadsden Consulting Engineers Ltd on the 8th October 2020, received by the Local Planning Authority on the 22nd March 2021.

The development must be maintained in accordance with this approved detail at all times thereafter unless agreed in writing with the Local Planning Authority.

Reason

To secure proper drainage and to manage the risk of flooding and pollution in accordance with the provision of Policy ENV1 and Policy DM24 of the Copeland Local Plan 2013 – 2028.

11. The development must be carried out in accordance with and implement all of the detail and mitigation measures set out within the following approved documents:
 - Ecological Appraisal, Prepared by Environtech Ecological Consultant on the 21st November 2020, received by the Local Planning Authority on the 22nd March 2021.

Once installed these measures shall be retained at all times thereafter.

Reason

To protect the ecological interests evident on the site.

12. The surface water drainage system including SuDs features shall be constructed in accordance with the approved plan 'Drainage Layout (Option 1), Scale 1:250, Drawing No 20198-PL-C005, received by the Local Planning Authority on the 11th April 2021', and must thereafter be maintained and managed in accordance with the details and principles of the approved document ' Drainage Strategy, Prepared by M & P Gadsden Consulting Engineers Ltd on the 12th April 2021, received by the Local Planning Authority on the 12th April 2021'.

Reason

To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution.

13. Foul and surface water must be drained on separate systems.

Reason

To secure proper drainage and to manage the risk of flooding and pollution in accordance with the provision of Policy ENV1 and Policy DM24 of the Copeland Local Plan 2013 – 2028.

Informative:

1. Prior to any work commencing on the watercourse the applicant must contact the Lead Local Flood Authority on tel: 01228 221331 or email: LFRM.consent@cumbria.gov.uk to confirm if an Ordinary Watercourse Flood Defence Consent is required. If it is confirmed that consent is required it should be noted that a fee of £50 will be required and that it can take up to two months to determine.
2. Public Footpath 415014 follows an alignment to the north side of the proposed development and also Public Footpath 415015 follows an alignment to the south side of the proposed development and must not be altered or obstructed before or

after the development has been completed, if the Footpaths are to be temporarily obstructed, then a formal temporary closure will be required, there is a 12 week lead in time for this process, please contact Sandra.smith@cumbria.gov.uk for further information.

3. Any works within the Highway must be agreed with the Highway Authority. No works and/or any person performing works on any part of the Highway, including Verges, will be permitted, until in receipt of an appropriate permit allowing such works. Enquires should be made to Cumbria County Councils Streetwork's team: streetworks.west@cumbria.gov.uk.
4. Use of any part of the roof of this site as an outdoor seating area is likely to require planning permission, therefore the applicant should discuss this matter with the Local Planning Authority.

Statement:

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development as set out in the National Planning Policy Framework.

ORDER 2015

PART 2

TOWN AND COUNTRY PLANNING ACT 1990

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.
If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.
- The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK](#).

Purchase Notices

- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part V1 of the Town and Country Planning Act 1990.
