Dear Sir/Madam

**PROPOSED ERECTION OF FOUR SELF CONTAINED INDUSTRIAL UNITS
UNIT E2, HAVERIGG INDUSTRIAL ESTATE, HAVERIGG**

Thank you for re-consulting us on the planning application, following the submission of additional information.

Environment Agency position

The changes in use classes in the revised Flood Risk Assessment (ref: BEK-22151-221115-DTDP) do not materially affect the site constraints that are of relevance to the remit of the Environment Agency. We therefore have no further comments to add to our previous response (ref: NO/2022/114911/01-L01, dated 12 December 2022).

Yours faithfully
