Reason:

For the avoidance of doubt and in the interests of proper planning.

3.

- a) Prior to occupation of the dwellings hereby approved full details of both hard and soft landscape works shall be submitted to and approved in writing by the local planning authority.

These details shall include:-

- proposed finished levels or contours;
- means of enclosure; and,
- hard surfacing materials.

Soft landscape works shall include planting plans; written specifications (including cultivation and other operations associated with plant and grass establishment); schedules of plants, noting species, plant sizes and proposed numbers / densities; and an implementation programme.

- b) The agreed scheme shall be carried out as approved to the agreed timetable. Any trees / shrubs which are removed, die, become severely damaged or diseased within five years of their planting shall be replaced in the next planting season with trees / shrubs of similar size and species to those originally required to be planted unless the Local Planning Authority gives written consent to any variation.

Reason:

To safeguard and enhance the character of the area and secure high quality landscaping in accordance with Policy DM26 of the Copeland Local Plan 2013-2028.

4. The dwelling hereby approved shall not be occupied until the vehicular access and parking requirements have been constructed in accordance with the approved plan and brought into use. The vehicular access and parking provisions shall be retained and capable of use at all times thereafter and shall not be removed or altered.

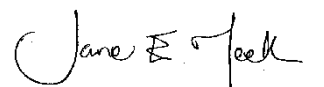

Reason:

To ensure a minimum standard of access provision when the development is brought into use in accordance with the provisions of Policy T1 and Policy DM22 of the Copeland Local Plan 2013-2028.

Statement

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development as set out in the National Planning Policy Framework.

DEVELOPMENT MANAGEMENT PROCEDURE (ENGLAND) ORDER 2015

PART 2

TOWN AND COUNTRY PLANNING ACT 1990

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.
- The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK](#).

Purchase Notices

- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part V1 of the Town and Country Planning Act 1990.
