Dear Mr Harrison

**DISCHARGE OF CONDITION 27 OF PLANNING APPLICATION 4/13/2235/001.**

**LAND BOUND BY WOODHOUSE TO NORTH & HIGH ROAD / WILSON PIT ROAD TO WEST & SOUTH, WHITEHAVEN**

**Environment Agency position**

In our previous letter on 4 July 2023 (our ref: NO/2023/115352/01-L01), the Environment Agency requested further confirmation to support the re-location of granular material.

Clarifications have been provided by the iD GeoEnvironmental Limited and we are now satisfied that condition 27 of 4/13/2235/001 can be fully discharged. But we suggest the LPA to check with Environmental Health from a human health perspective.

Yours sincerely

**Hui Zhang**
