TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED).

NOTICE OF GRANT OF PLANNING PERMISSION

Northern Trust Company Limited
Lynton House
Ackhurst Park
Foxhole Road
PR7 1NY
FAO Nathan Houghton

APPLICATION No: 4/23/2240/0F1

ERECTION OF ONE BUSINESS/INDUSTRIAL BUILDING TO PROVIDE 4 SELF-CONTAINED UNITS (USE CLASSES B2, B8 AND CLASSES E(G)(I), E(G)(II) AND E(G)(III)), CAR PARKING, ACCESS AND ASSOCIATED WORKS

LAND AT SNECKYEAT INDUSTRIAL ESTATE, HENSINGHAM, WHITEHAVEN

Northern Trust Company Limited

The above application dated 23/08/2023 has been considered by the Council in pursuance of its powers under the above mentioned Act and PLANNING PERMISSION HAS BEEN GRANTED subject to the following conditions:

1. The development hereby permitted shall be commenced before the expiration of three years from the date of this permission.

Reason

To comply with Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2. Permission shall relate to the following plans and documents as received on the respective dates and development shall be carried out in accordance with them: -

Application form, received 23rd August 2023;

Site Location Plan, scale 1:2500, received 23rd August 2023;

Proposed Site Plan, scale 1:200, drawing number 22123-PJA-00-ZZ-DR-A-1203-D, received 16th November 2023;

Fire Strategy Plan, scale 1:200, drawing number 22123-PJA-00-ZZ-DR-A-1206-A, received 23rd August 2023;

Plan and Elevations, scale 1:100, drawing number 22123-PJA-B3-ZZ-DR-A-3000-C, received 23rd August 2023;

Roof Plan and Sections, scale 1:100, drawing number 22123-PJA-B3-ZZ-DR-A-3001-B, received 23rd August 2023;

Drainage Strategy Report, drawing number 2022.262, received 23rd August 2023;

Design and Access Statement, received 23rd August 2023.

Reason

To conform with the requirement of Section 91 of the Town and Country Planning Act 1990, as amended by the Planning and Compulsory Purchase Act 2004.

Pre-Commencement Conditions

3. Prior to the commencement of any works on site, a Construction Traffic Management Plan must be submitted to and approved in writing by the local planning authority. The CTMP shall include details of:
- retained areas for vehicle parking, manoeuvring, loading and unloading for their specific purpose during the development;
 - cleaning of site entrances and the adjacent public highway;
 - details of proposed wheel washing facilities;
 - the sheeting of all HGVs taking spoil to/from the site to prevent spillage or deposit of any materials on the highway;
 - construction vehicle routing;
 - the management of junctions to and crossings of the public highway and other public rights of way/footway;
 - Details of any proposed temporary access points (vehicular / pedestrian)

- surface water management details during the construction phase

Reason

To ensure the undertaking of the development does not adversely impact upon the fabric or operation of the local highway network and in the interests of highway and pedestrian safety in accordance with Policy DM22 of the Copeland Local Plan.

4. Prior to the commencement of the units hereby approved, details of a sustainable surface water drainage scheme and a foul water drainage scheme must be submitted to and approved in writing by the Local Planning Authority. The drainage schemes must include:

(i) An investigation of the hierarchy of drainage options in the National Planning Practice Guidance (or any subsequent amendment thereof). This investigation must include evidence of an assessment of ground conditions and the potential for infiltration of surface water in accordance with BRE365;

(ii) A restricted rate of discharge of surface water agreed with the local planning authority (if it is agreed that infiltration is discounted by the investigations);

(iii) Levels of the proposed drainage systems including proposed ground and finished floor levels in AOD;

(iv) Incorporate mitigation measures to manage the risk of sewer surcharge where applicable; and

(v) Foul and surface water shall drain on separate systems;

(vi) Permeable material for the surfaced car parking.

The approved schemes must also be in accordance with the Non-Statutory Technical Standards for Sustainable Drainage Systems (March 2015) or any subsequent replacement national standards.

Prior to occupation of the proposed development, the drainage schemes must be completed in accordance with the approved details and retained thereafter for the lifetime of the development.

Reason

To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution in accordance with Policies ENV1 and DM24 of the Copeland Local Plan.

Prior to Occupation Condition

5. No Units must be occupied until the estate road including footways and cycleways to serve such Units has been constructed in all respects and street lighting where it is to form part of the estate road has been provided and brought into full operational use.

Reason

In the interests of highway safety and in accordance with Policy DM22 of the Copeland Local Plan.

Other Conditions

6. In the event that contamination is found at any time when carrying out the approved development that was not previously identified, it must be reported in writing immediately to the Local Planning Authority. An investigation and risk assessment must be undertaken, and where it is necessary a Remediation Scheme, must be submitted to and approved in writing by the Local Planning Authority.

Reason

To ensure that risks from land contamination to future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other off-site receptors in accordance with Policy ST1 of the Copeland Local Plan.

Informative Notes

1. If the applicant intends to obtain a water supply from United Utilities for the proposed development, we strongly recommend they engage with us at the earliest opportunity. If reinforcement of the water network is required to meet the demand, this could be a significant project and the design and construction period should be accounted for.

2. Where United Utilities' assets exist, the level of cover to the water mains and public sewers must not be compromised either during or after construction.
3. It is the applicant's responsibility to investigate the possibility of any United Utilities' assets potentially impacted by their proposals and to demonstrate the exact relationship between any United Utilities' assets and the proposed development.
4. Should any unexpected ground conditions, which could indicate the presence of land contamination (for example unusual colours, odours, liquids or waste materials) be encountered during development work should halt and the Council be notified to agree on the appropriate action.
5. The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

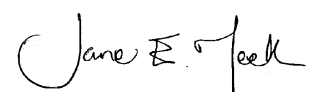

Further information is also available on the Coal Authority website at:

www.gov.uk/government/organisations/the-coal-authority
<http://www.gov.uk/government/organisations/the-coal-authority>

Statement

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development as set out in the National Planning Policy Framework.

TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT
PROCEDURE) (ENGLAND) ORDER 2015

PART 2

TOWN AND COUNTRY PLANNING ACT 1990

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- Appeals can be made online at: <https://www.gov.uk/appeal-planning-decision> . If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.
- The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK.](#)

Purchase Notices

- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part V1 of the Town and Country Planning Act 1990.
