NOTICE

If you are aggrieved by the decision of the Authority to refuse your application or to impose conditions on the permission with which you are dissatisfied, you may appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990. All appeals are handled on behalf of the Secretary of State by the Planning Inspectorate.

If you want to appeal against this decision then you must do so within 6 months of the date of this notice, or such longer period as the Secretary of State may, at any time, allow. Although the Secretary of State can allow a longer period for giving notice of an appeal, he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

Appeals must be made electronically. You can find more information online at www.gov.uk/appeal-planning-decision or using a form which you can get from the Planning Inspectorate Customer Support Team (0303 444 50 00).

Please note only the applicant possesses the right of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions any development order and to any directions given under a development order. In practice, the Secretary of State does not refuse to consider appeals solely because the Authority based its decision on a direction given by him
