Your ref: 4/24/2303/0B1
Date: 25 September 2024

Dear Demi,

VARIATION OF CONDITION 2 (PLANS) FOR GABLE WINDOW ON FRONT ELEVATION, INSTALLATION OF ADDITIONAL WINDOWS TO LOUNGE & FRONT BEDROOM & RECONFIGURATION OF FRONT ACCESS STEPS OF PLANNING APPROVAL 4/24/2227/0F1

SQUARE GARDEN, POOLSIDE, HAVERIGG

Thank you for consulting us on the above variation of conditions application, received 12 September 2024.

Environment Agency position

We have no objections to the development as proposed, and we maintain our comments made in our previous response to planning application 4/24/2227/0F1, referenced NO/2024/116167/01-L01 and dated 8 July 2024.

Flood risk standing advice - advice to LPA

The proposed development falls within Flood Zone 3, which is land defined in the [planning practice guidance](#) as being at risk of flooding.

We have produced a series of standard comments for local planning authorities and planning applicants to refer to on 'lower risk' development proposals. These comments replace direct case-by-case consultation with us. This proposal falls within this category.

These standard comments are known as Flood Risk Standing Advice (FRSA). They can be viewed at <https://www.gov.uk/guidance/flood-risk-assessment-for-planning-applications#when-to-follow-standing-advice>.

We recommend that you view our standing advice in full before making a decision on

Environment Agency
Lutra House Walton Summit, Bamber Bridge, Preston, PR5 8BX.

Cont/d..

this application. We do not need to be consulted.

Environmental permit - advice to applicant

The Environmental Permitting (England and Wales) Regulations 2016 require a permit to be obtained for any activities which will take place:

- on or within 8 metres of a main river (16 metres if tidal)
- on or within 8 metres of a flood defence structure or culverted main river (16 metres if tidal)
- on or within 16 metres of a sea defence
- involving quarrying or excavation within 16 metres of any main river, flood defence (including a remote defence) or culvert
- in the floodplain of a main river if the activity could affect flood flow or storage and potential impacts are not controlled by a planning permission

For further guidance please visit <https://www.gov.uk/guidance/flood-risk-activities-environmental-permits> or contact our National Customer Contact Centre on 03708 506 506. The applicant should not assume that a permit will automatically be forthcoming once planning permission has been granted, and we advise them to consult with us at the earliest opportunity.

Yours sincerely,

Miss Soraya Moghaddam
Planning Advisor
