Reason

To conform with the requirement of Section 91 of the Town and Country Planning Act 1990, as amended by the Planning and Compulsory Purchase Act 2004.

3. The rating level of any plant and equipment of this development must not exceed noise rating curve NR30 as measured inside the nearest noise sensitive premises. The noise rating curve must be measured and assessed against a 15 minutes linear LEQ at the octave band centre frequencies 31.5 Hz – 8 KHz.

Reason

In order to safeguard the amenities of adjoining residential occupiers in accordance with Policy DS4 of the Copeland Local Plan.

4. The approved carbon filtration odour mitigation measures on the cooking extract plant at the development must be installed in accordance with the approved details and must be operational before the use commences. The measures must be maintained operational for the lifetime of the development.

Reason

To safeguard the amenity of nearby premises and the area generally in accordance with Policy DS4 of the Copeland Local Plan.

5. Following approval of the development, construction activities that are audible at the site boundary must be carried out only between the following hours:

Monday to Friday 08.00 – 18.00 and
Saturday 08.00 – 13.00 and at no time on Sunday or Bank Holidays

Deliveries to and removal of plant, equipment, machinery and waste from the site must only take place within the permitted hours detailed above unless otherwise agreed with the Local Planning Authority.

Reason

In the interests of the amenities of surrounding occupiers during the construction of the development and in accordance with Policy DS4 of the Copeland Local Plan.

Statement

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development as set out in the National Planning Policy Framework.

PART 2

TOWN AND COUNTRY PLANNING ACT 1990

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- Appeals can be made online at: <https://www.gov.uk/appeal-planning-decision> . If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.
- The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK.](#)

Purchase Notices

- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part V1 of the Town and Country Planning Act 1990.
