

CUMBERLAND COUNCIL DELEGATED PLANNING DECISION

1.	Reference No:	4/25/2177/0L1
2.	Proposed Development:	LISTED BUILDING CONSENT FOR THE CONVERSION OF EXISTING BUILDING TO 4 NO. RESIDENTIAL UNITS INCLUDING ROOM IN THE ROOF EXTENSION WITH DORMER WINDOWS TO THE EASTERN END OF THE BUILDING
3.	Location:	THE SURGERY, CATHERINE STREET, WHITEHAVEN
4.	Parish:	Whitehaven
5.	Constraints:	ASC;Adverts - ASC;Adverts, Conservation Area - Conservation Area, Flood Area - Flood Zone 2, Listed Building - Listed Building, Coal - Development Referral Area - Data Subject to Change
6.	Publicity Representations &Policy	See report.
7.	Report: Site and Location: <p>The application site comprises the now vacant former Whitehaven Medical Centre, 3 Catherine Street, Whitehaven.</p> <p>The property comprises a principally two-storey building that is attached to the rear of, however is internally subdivided from, 80 Lowther Street.</p> <p>The property is finished externally with a combination of textured render finishes with surrounding details to the windows under a combination of dual pitched hipped and gabled roof structures finished externally with slate. The property has timber windows and doors.</p>	

The property is a Grade II Listed Building and is located within the Whitehaven Town Centre Conservation Area.

The property has limited curtilage and does not benefit from off highway parking.

The application site is partially located in Flood Zone 2 and partially located in Flood Zone 1.

Planning Application History:

The Application Site benefits from Full Planning Permission and Listed Building Consent for conversion of the existing building to 6no. dwellings – app. ref. 4/21/2139/0F1 and app. ref. 4/21/2140/0L1.

The development was commenced by the previous owner but then development ceased in the early stages of the refurbishment and the property was placed for sale by auction.

It has been agreed that the development approved under app. ref. 4/21/2139/0F1 and app. ref. 4/21/2140/0L1 remains extant and lawfully capable of implementation.

Proposal:

Listed Building Consent is sought for the alteration and extension of the property to enable the creation of 4no. dwellings:

Unit 1 – GF level; 1 bed apartment.

Unit 2 – FF level; 2 bed apartment.

Unit 3 – GF level; 1 bed apartment.

Unit 4 – 2-storey; 2 bed cottage.

The physical development proposed principally comprises:

External:

- The erection of a first floor level extension above the existing single story element of the building under a dual pitched roof structure with dual pitched dormer windows. It is proposed to finish the roof with slate.
- The existing timber window are to be retained where possible and replaced where necessary.
- Two additional timber doors and two additional timber windows are proposed.

Internal:

- Ground floor - Removal of various existing internal partitions; erection of various new internal partitions; removal of existing staircases and installation of new/replacement staircases.
- First Floor - Removal of various existing internal partitions and erection of various new internal partitions.

No off highway parking is proposed.

It is proposed to dispose of foul and surface water to the public main.

Consultee:	Nature of Response:
Town Council	<p><i>27th June 2025</i></p> <p>No objections or comments.</p>
National Amen. Soc.	No consultation response received.
Copeland Borough Council – Conservation Officer	<p><i>17th June 2025</i></p> <p>Description: 3 Catherine Street is a mainly two-storey building of conventional appearance for the area, which is considered listed by virtue of comprising a part of 80 Lowther Street, which was listed in 1949.</p> <ul style="list-style-type: none"> • Information on ownership and function on 1st Jan 1969 is not available, however, historic map data from 1961 reveals that the southern section of the building, with roughcast render, was part of 80 Lowther Street at that time, and therefore it can be inferred that it was in the same ownership and used for the same purpose at that time. • It seems likely that this was the same arrangement at the introduction of curtilage legislation in 1969, and that main section of 3 Catherine Street described above should be considered to form part of the curtilage of 80 Lowther Street. <p>Conclusion: Request further information</p> <p>Assessment:</p> <ul style="list-style-type: none"> • This building has an extant planning permission and listed building consent for conversion granted in 2021. • The new application is for conversion to 4 no. units rather than 6. • Externally, changes are main the addition of single doors and a window to the frontage, and the raising of the ridge of the single-storey section, with the addition of a dormer window front and back. • The building is vacant and of fairly limited significance in and of itself. It makes a modest contribution to the significance of 80 Lowther Street, and the character and appearance of the conservation area, and settings of other nearby heritage assets more generally. • I am supportive of the proposal to give this building a new use. Generally, the changes proposed will have a positive impact on the building's long-term viability and outcomes.

		<ul style="list-style-type: none"> • There are some internal features of significance within the building, including mouldings, plasterwork and fireplaces. As the interior layout is different to the approved scheme, these should be documented in the heritage statement so that impact on them can be considered (if there is any impact), rather than left to assumption. Window and doors details are unaffected by the change to the scheme, so comment on these would not need to be added. <p>Summary:</p> <ul style="list-style-type: none"> • Heritage statement should be revised to note relevant internal features, and comment briefly on whether and if so how they will be impacted by the proposal. <p><i>18th June 2025</i></p> <p>Thanks for this. Given the building's marginal significance in the first place, I think we should probably consider whether the list description of 80 Lowther Street should be updated to specifically omit this building.</p>
	<p>Neighbour Responses:</p> <p>The application has been advertised by way of a site notice, press notice and notification letter sent to 1no. neighbouring property.</p> <p>No representations have been received.</p>	
	<p>Planning Policy:</p> <p>Planning law requires that applications for planning permission must be determined in accordance with the Development Plan unless material considerations indicate otherwise.</p> <p>Development Plan:</p> <p>On 1st April 2023, Copeland Borough Council ceased to exist and was replaced by Cumberland Council as part of the Local Government Reorganisation of Cumbria.</p> <p>Cumberland Council inherited the local development plan documents of each of the sovereign Councils including Copeland Borough Council, which combine to form a Consolidated Planning Policy Framework for Cumberland.</p> <p>The inherited local development plan documents continue to apply to the geographic area of their sovereign Councils only.</p> <p>The Consolidated Planning Policy Framework for Cumberland comprises the Development</p>	

Plan for Cumberland Council until replaced by a new Cumberland Local Plan.

Copeland Local Plan 2021 - 2039 (LP):

Cumberland Council continued the preparation of the LP as commenced by Copeland Borough Council.

The LP was adopted by Cumberland Council on the 5th of November 2024 replacing the Copeland Local Plan 2013-2028 and the saved policies of the Copeland Local Plan 2021-2016.

Strategic Policy N1: Conserving and Enhancing Biodiversity and Geodiversity

Strategic Policy BE1: Heritage Assets

Policy BE2: Designated Heritage Assets

Other Material Planning Considerations:

National Planning Policy Framework (NPPF).

Planning Practice Guidance (PPG).

Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended)

The Conservation of Habitats and Species Regulations 2017 (CHSR).

Assessment:

A Heritage Statement has been prepared in support of this planning application.

The property is a Grade II Listed Building, as the property comprised part of the Grade II Listed 80 Lowther Street, Whitehaven at the time of listing. The building has subsequently been the subject of subdivision from 80 Lowther Street and unsympathetic extension and internal alterations to create a medical surgery.

The building is located within the Whitehaven Town Centre Conservation Area.

The significance of the building is primarily derived from the developed form and relationship of the southwestern most part of the building to 80 Lowther Street and the very limited original internal features that remain. The single storey element to the northeast most part of the building is a recent addition of similar design/construction to the remainder of the building; however, by virtue of its scale and form, it does not make a positive contribution to its significance. The introduction of a first floor level extension and dual pitched dormer windows is consistent with the existing character and features of the building and will not detract from the overall visual appearance and balance of the building and the conservation area.

The property has various rendered finishes to the elevations, including roughcast render and incised stucco, which it is proposed to retain, repair as necessary and re-decorate.

	<p>The proposed timber windows and doors are of a design and form in keeping with the design and significance of the building.</p> <p>Owed to the extensive internal alterations to create a medical surgery, limited original fabric of significance remains to the interior of the building. The Victorian iron fireplaces, some glazed cabinetry and wood paneling that existed in 2021 in the eastern most element of the building has been removed by the previous contractor in conflict with the requirements of app. ref. 4/21/2139/0F1 and app. ref. 4/21/2140/0L1. Given the limited heritage value of these features, their replacement will deliver negligible heritage benefits. The proposed internal alterations to the building are extensive; however, these principally relate to the removal/alteration of the interventions completed in the conversion to the medical surgery and so the resulting impact upon the significance of the building is limited.</p> <p>In applying the statutory duties of the LBCA and the relevant provisions of the NPPF and the Policy BE2, it is considered that as proposed the development will result in slight harm to the significance of the conservation area and Grade II Listed Building.</p> <p><i>Ecology</i></p> <p>The building to which this application relates falls within the planning and development trigger list for bat surveys contained within the Bat Conservation Trust Bat Surveys Good Practice Guidelines; however, given the location of the building, the potential for the presence of bats is negligible and a Bat Survey not therefore requested.</p> <p><i>Planning Balance</i></p> <p>In applying the statutory duties of the LBCA and the relevant provisions of the NPPF and the Policy BE2, it is considered that as proposed the development will result in slight harm to the significance of the conservation area and Grade II Listed Building; however, it is considered that this slight harm would be outweighed by the resulting benefits of returning the building to an active use, the provision of additional housing and the associated economic benefits to the local economy.</p>
8.	<p>Recommendation:</p> <p>Approve Listed Building Consent (start within 3yr)</p>
9.	<p>Conditions:</p> <p>1. The works hereby permitted shall begin not later than three years from the date of this decision.</p> <p>Reason</p> <p>To comply with the requirements of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by Section 51 of the Planning and Compulsory</p>

Cumberland Council

Purchase Act 2004.

2. The development hereby permitted shall be carried out in accordance with the following approved plans/details:
