### **Informative Notes:**

#### **Biodiversity Net Gain – Exemption**

The effect of paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 is that planning permission granted for the development of land in England is deemed to have been granted subject to the condition “(the biodiversity gain condition”) that development may not begin unless: (a) a Biodiversity Gain Plan has been submitted to the local planning authority, and (b) the local planning authority has approved the plan. The planning authority, for the purposes of the Biodiversity Gain Plan is Cumberland Council. Based on the information available this permission is considered to be one which will not require the approval of a biodiversity gain plan before development is begun because one or more of the statutory exemptions or transitional arrangements is/are considered to apply.

Applicable exemption: Householder development.
