Dear Chloe Wootton,

CONVERSION OF THE VACANT BUS DEPOT INTO THE CHARITY HEADQUARTERS FOR SOUND WAVE. USES INCLUDE A PERFORMANCE SPACE, RECORDING STUDIO AND LIVE LOUNGE, WHERE YOUNG PEOPLE CAN LEARN, EXPERIMENT AND MAKE MUSIC FORMER BUS STATION & GARAGES, BRANSTY ROW & WELLINGTON ROW, WHITEHAVEN – ADDITIONAL & UPDATED INFORMATION

Thank you for consulting me on the additional and updated information submitted for the above application.

While the area was a focus for late-18th and 19th century industrial activity and nearby archaeological investigations have revealed buried industrial remains surviving below ground, the proposed scheme requires limited ground disturbance and is unlikely to have a significance impact upon archaeological assets. I therefore confirm that I have no objections to the application and that I do not wish to make any recommendations.

Please do not hesitate to contact me if you have any queries regarding the above.

Yours sincerely,

Jeremy Parsons
Historic Environment Officer
