Dear Heather Morrison,

**DISCHARGE OF CONDITION 9 OF PLANNING APPLICATION 4/25/2091/0B1  
LAND TO THE NORTH EAST OF LECONFIELD INDUSTRIAL ESTATE, CLEATOR  
MOOR**

Thank you for consulting me on the above application.

I do not consider that the scheme raises any archaeological concerns and the consent 4/25/2091/0B1 accordingly has no archaeological conditions attached. The submitted Construction Environment Management Plan has a section stating that, in the unexpected event of archaeological remains being encountered, a suitable archaeological mitigation scheme will be implemented in consultation with myself. I confirm that I consider this to be an adequate response.

Please do not hesitate to contact me if you have any queries regarding the above.

Yours sincerely,

Jeremy Parsons  
Historic Environment Officer
