

<b>Ecology Team Consultation Response</b>	
<b>Date:</b>	04.02.2026
<b>Planning Ref:</b>	4/26/2026/0F1
<b>Description:</b>	Removal of existing telecom mast and replace with 15 meter wind turbine and removal of all on site cabins Adamgill Farm, Moresby.

**Rejection:** The County Ecologist notes that the location for the new turbine is adjacent to a hedgerow which is connects to the wider landscape where there are woodland and waterbodies. Therefore this hedgerow could act as a commuting corridor for bats, which will be ascertained through the undertaking of bat activity surveys in the form of transects and/or by using static detectors.
