
Ecology Team Consultation Response	
Date:	07.07.2026
Planning Ref:	4/26/2215/0F1
Description:	Demolition of existing stables and agricultural storage buildings and erection of replacement stables and agricultural storage and cladding of shipping container with green profile sheets.

Rejection: The County Ecologist notes that this development is in scope for Biodiversity Net Gain. Should this not be the case, a BNG Exemption Statement is required before the application can progress.
