

Do not scale from this drawing. Only figured dimensions are to be taken from this drawing.

The contractor must verify all dimensions on site before commencing any work or step downs.

The contractor must report any discrepancies to design by pod 10 before commencing work. If this exceeds the quantities taken in works, design by pod 10 is to be informed before the work is started.

Enhance Survey Information is used as design by pod 10 drawings. design by pod 10 is not responsible for accuracy of dimensions relating to any Ordnance Survey data, or beyond the boundary of the insured operation.

survey data

Work within the Construction (Design and Management) Regulations 2015 is not to start until a Health and Safety Plan has been produced.
