

Tree Protection Measures:

The works fall under the Tree Preservation Order No 1:2002. The Order prohibits the: cutting down, topping, lopping, uprooting, wilful damage, wilful destruction of trees without council consent.

Therefore, before work commences, the highlighted trees are to be protected during development with a Construction Exclusion Zone (CEZ). Materials and heavy equipment are to be stored away from the trees and their root systems in order to prevent unwanted damage.
