Loose materials such as gravel or slate chippings must not be used as a driveway surface within 5m of the highway. **Please advise the Council of the materials you intend to use for your driveway.** You will be in breach of your permit conditions if you don't use a bound material for the running surface of your driveway and this could result in the footway being reinstated to the original state and the cost forwarded to you.

THE EXISTING DRIVEWAY IS TO BE RETAINED AND COMPRISES
LHESTONE SETS LAID ON A CONCRETE BEDDING AND JOINTED
WITH SAND/CEMENT. THE PAVEMENT CROSSOVER WILL BE
REINSTATED USING TARMAC TO HIGHWAYS SPECIFICATION

I understand that the work would be liable to indemnify Cumberland Council against any costs or liability in any way arising out of the work.
